C. GRAND LODGE ON PEAK 7 CLUB RESERVATIONS

The Association's agreement with the Managing Agent authorizes and directs the Managing Agent to create and operate the Club which provides an alternative system for flexible use of Project amenities and Vacation Weeks by Owners. 5. Some Owners may not be required to make reservations. If their Assessments are delinquent sixty (60) or more days, ninety (90) days or less before occupancy is scheduled to commence, the Association has the right at its sole discretion to rent the Unit and apply the proceeds as follows: 1) forty percent (40%) of the net to commissions; 2) the balance to the Association for delinquent Assessments, interest, and late or collection charges; 3) the remainder, if any, will be paid to the Owner. If for any reason the transferee is not able to provide complete Transfer Information to the Managing Agent, but pays the Transfer Fee and provides other evidence of the conveyance or transfer reasonably acceptable to the Managing Agent, the transferee shall be deemed to have obtained title as of the date of the receipt of the Transfer Fee and other reasonable evidence of the conveyance or transfer.

 - d. Owners are responsible for canceling their Club membership.

2. A Transfer Fee of twenty-five dollars (\$25.00) shall be due and payable within thirty (30) days after the transferee obtains title to the Unit, except that no transfer fee shall be due in the event a Unit is transferred through a foreclosure or by a deed in lieu of foreclosure.
3. The Transfer Information shall be provided to the Managing Agent within thirty (30) days after the transferee obtains title to the Unit. The Transfer Information shall consist of (i) a true and correct copy of the recorded instrument conveying or transferring the Unit or such other evidence of the conveyance or transfer as is reasonably acceptable to the Managing Agent; (ii) the transferee's name, home and business telephone numbers, and home address; (iii) the specific Vacation Week or the designated season in which the Vacation Owner's Floating Vacation occurs (the legal description would be a good source for this information); and (iv) the person or entity from which the Unit had been transferred, including the name, home and business telephone numbers, and home address. In addition, the Managing Agent may request such other or additional information as the Managing Agent determines is necessary or desirable in connection with obtaining and maintaining the Transfer Information.
4. A transferee's obligation to pay the Assessments and right to use a Vacation Week shall commence upon the date the transferee obtains title to the Unit.
5. The failure of a transferee to provide the Transfer Information and pay the Transfer Fee in accordance with the foregoing procedures shall result in denial of the right to reserve a Unit, access to the Project, and a continuing fine of fifty dollars (\$50.00) per month, or part thereof, for each Vacation Estate for which the Transfer Information has not been provided until the transferee provides the Transfer Information to the Managing Agent and pays the Transfer Fee and the fines accrued to date for each such conveyance or transfer.
6. The Managing Agent shall have the authority to enter into such other and further agreements with transferees and transferring Owners as the Managing Agent deems necessary or desirable to insure receipt of the Transfer Information and the payment of the Transfer Fees upon each conveyance or transfer of a Unit.

4. If an Owner fails to provide notice of any of the events for which notice is required by this Section J, the Association shall assess a fine of fifty dollars (\$50.00) per month for each Unit for which such information was not provided. Such fine, if not timely paid, shall accrue default interest at the rate set forth from time to time in the Rules and Regulations for nonpayment of Assessments.
5. The Managing Agent shall have the authority to waive the fine of fifty dollars (\$50.00) per month if in the Managing Agent's discretion the circumstances warrant the waiver.

SCHEDULE 1

PET POLICY

In an effort to accommodate those Owners who are permitted to bring their dogs to the Project and to minimize the impact to the other Owners and Occupants in residence, the following policies and procedures will apply:

1. Only domesticated housebroken dogs are allowed in the Project. Two (2) dogs maximum per reservation are allowed. The dog(s) must be registered, licensed and inoculated as may be required by the Board of Directors or local law from time to time. Owners taking advantage of Resort Privileges are not allowed to bring their dog(s).
2. The Association has designated or will designate certain Units for dog occupancy. Owners must note any request to bring a dog with their reservation. The Owner will be assigned to the designated Unit only if the designated Unit is available in accordance with the standard reservation procedures. If the designated Unit is occupied during the times available to the Owner, the Owner may not occupy another Unit with a dog.
3. Dogs shall not be allowed outside of the Unit unless restrained by a suitable leash or enclosure and under the direct control of the dog's owner. Dogs are prohibited from all common areas, including elevators, aquatics, fitness center, spa facilities and the lobby. Dogs cannot be left unattended inside vehicles on resort property, including in the parking garages. Failure to abide by these rules will result in a fine being assessed for the first occurrence. The second occurrence will result in the dog being removed from property and not allowed to return.
4. All dog owners shall immediately clean up after their dogs and dispose of their dogs' refuse in a suitable container as defined from time to time by the Managing Agent. Dogs must be kept clean and groomed at all times. All refuse or damage caused by a dog inside the buildings of the Project, and in non-designated areas outside the buildings, must be immediately reported to the Association so that the area can be cleaned or repaired. The Owner permitted to bring a dog is responsible for all loss, liability and damages caused by the dog, including without limitation, damage to grass, shrubs, trees or any other portion of the Common Elements.
5. No dog may be permitted to create any inconvenience, noise, safety concern or disturbance on the Project.
6. Dogs may not be left unattended on a Unit's balcony, deck or terrace at any time. Dogs may not be left unattended on the Project (including within a designated Unit) for more than four (4) hours at a time.

7. Members are to notify housekeeping of a convenient time for service. Housekeeping will access the Unit only when the dog is attended by the Owner or out of the Unit.
8. The Association reserves the right to ask Owners to remove their dogs from the Project if complaints are received and, in the Association's sole discretion, after reasonable investigation and review of such complaint by the Manager of the Association, such dog is found in violation of this policy.
9. The Owner permitted to bring a dog shall be responsible for and obligated to pay all costs and expenses incurred by the Association in connection with extraordinary cleaning, repairs, replacement, maintenance or alterations caused by the dog (whether such permission to keep the dog on the Property was appropriate or not) within ten (10) days upon demand. In the event prompt payment is not made, the Association shall have all remedies under the Declaration and these Rules and Regulations, including the power to assess an individual Owner exclusively for such costs.
