## VOLUNTEER TIME OFF (VTO) SPOTLIGHT

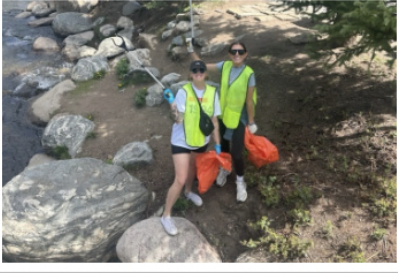

BGV employees recently supported our partners at [Friends of Dillon Ranger District \(FDRD\)](#) and [Mountain Area Land Trust \(MALT\)](#) through organized VTO days!

In partnership with FDRD, BGV employees from across the company spent the day repairing a portion of the Spruce Creek Trail to enable safe hiking for residents and visitors! With Mountain Area Land Trust, the BGV Gives team planted nearly 100 additional native plants – representing 15 different species – in the Native Plant Garden at the Sacramento Creek Ranch. Thank you to the FDRD and MALT teams for their continued partnership and commitment to creating meaningful volunteer opportunities for BGV employees!

BGV teams are always looking for opportunities to partner with Summit and Park County nonprofits for volunteer days! Reach out to Justine Zawatski at [jzawatski@breckgv.com](mailto:jzawatski@breckgv.com) or add new events or volunteer opportunities directly to our community events calendar below.
