Declaration, and Declarant hereby declares that all of the Property shall be held, sold, conveyed, encumbered, leased, rented, occupied, and improved subject to the provisions of this Declaration.

**Section 1.4.** Covenants Running With the Land. All provisions of this Declaration shall be deemed to be covenants running with the land, or as equitable servitudes, as the case may be. In the event the proposed Budget is rejected, the then existing Budget shall continue in effect until such time as a subsequent Budget is proposed by the Board of Directors and is not rejected in accordance with the above procedures. - (b) two (2) years after Declarant's last conveyance of a Unit in the ordinary course of business; or
  - (c) two (2) years after any right to add new Units was last exercised.

Declarant may voluntarily surrender the right to appoint and remove officers and members of the Board of Directors before the termination of the Period of Declarant Control, but in that event, Declarant may require, for the duration of the Period of Declarant Control, that specified actions

For the avoidance of doubt, the foregoing restrictions on Declarant are not intended to restrict the Declarant, to the extent it then owns one or more Units, from voting or from running for the Board of Directors as a Unit Owner. Not later than the termination of the Period of Declarant Control, the Owners shall elect a Board of Directors of the number of members established pursuant to the Bylaws, at least a majority of whom shall be Owners other than Declarant or designated representatives of Owners other than Declarant. In order to assure representation of each Class in the affairs of the Association and to protect the valid interests of the Owners within each Class in the operation of the Project following the termination of the Period of Declarant Control, then from and after the date on which one or more Units have been submitted to the Plan, the Vacation Owners, voting as a Class, shall be entitled to elect two members of the Board of Directors; the Residential Owners, voting as a Class, shall be entitled to elect two members of the Board of Directors; the Hotel Unit Owner, voting as a Class, shall be entitled to elect one member of the members of the Board of Directors; the Commercial Owners, voting as a class, shall be entitled to elect one member of the members of the Board of Directors; and all Owners shall be entitled to elect one "at-large" member of the members of the Board of Directors. The Board of Directors shall elect the officers. The members of the Board of Directors and officers shall take office upon election. Each member of the Board of Directors shall serve for the term specified in the Bylaws and may be removed only in accordance with the Bylaws. In the event the Project does not contain any of the particular type of a Unit constituting a Class, the member of the Board of Directors to be elected by such Class shall instead be elected by all of the Owners until such time as the applicable Class exists.

Section 7.7. Requirements for Turnover of Declarant Control. Within sixty (60) days after the Owners other than Declarant elect a majority of the members of the Board of Directors, Declarant shall deliver to the Association (a) all property of the Owners and of the Association held by or controlled by Declarant, and (b) the documents, information, funds and other items required by Section 38-33.3-303(9) of the Act, as further specified in the Bylaws (to the extent they are in Declarant's possession or control).

The Board of Directors shall establish a committee for each Class and shall appoint to such committee the member(s) of the Board of Directors elected by the Owner(s) within such Class, such that there will be a "Hotel Class Committee" made up of the member(s) of the Board of Directors elected by the Owner(s) of the Hotel Unit(s) voting as a Class, a "Residential"

Ownership Class Committee" made up of the member(s) of the Board of Directors elected by the Owners of Residential Units and Vacation Owners voting as a Class, a "Vacation Ownership Class Committee" made up of the member(s) of the Board of Directors elected by the Vacation Owners voting as a Class, and a "Commercial Class Committee" made up of the member(s) of the Board of Directors elected by Commercial Unit Owners and Administrative Unit Owners voting as a Class (each a "Class Committee"). Actions to be taken and issues to be determined by the Board of Directors shall be determined by the appropriate Class Committee to the extent such actions or issues fall within the categories of issues described in <a href="Exhibit G">Exhibit G</a> for such Class.

- Section 7.9. Reserved Powers: Directions to Board of Directors. The Board of Directors shall be required to act in accordance with the directions of a Majority of Owners within the Class with respect to any Class issue acted upon by such Class, including, without limitation, in the following circumstances:
  - (a) If the Majority of Owners within the Class votes to change specific items reflected in the Budget that affect only the Class including, without limitation, a change in services available to the Class, or if the Class Committee proposes such a Budget item or change, the Board of Directors shall be so notified in writing and the Budget proposed by the Board of Directors pursuant to Section 9.3 for the following year shall include the requested changes.
  - (b) If the Majority of Owners within the Class votes to change specific items reflected in the Rules and Regulations that affect only the Class or if the Class Committee proposes such a change, the Board of Directors shall be so notified, in writing, and the Board of Directors shall, at its next meeting, act to effectuate such amendment to the Rules and Regulations accordingly.

Notwithstanding anything to the contrary set forth herein, the Board shall not be required to take any action that would cause a breach of any legal duty of the Board or that would result in a violation of the Act.

The Association shall keep financial records sufficiently detailed to enable the Association to comply with the requirement to provide statements of status of Assessments, as described in Section 9.17. All financial and other records of the Association shall be made reasonably available for examination by any Owner and such Owner's authorized agents and requesting First Mortgagees, all in accordance with the Condominium Documents.

- (p) Impose and receive a payment, fee, or charge for (i) services provided to Owners, and (ii) for the use, rental or operation of the Common Elements (other than for Limited Common Elements appurtenant to a Unit or to a Class of Units, without the consent of such Unit Owner or applicable Class);

- (r) Impose a reasonable charge for the preparation and recording of amendments to the Declaration or statements of unpaid Assessments and for services provided to Owners;
- (s) Recover Costs of Enforcement for collection of Assessments and other actions to enforce the powers of the Association, regardless of whether or not suit was initiated;

- (y) By resolution, set forth policies and procedures which provide for corporate actions and powers which are different than those set forth in the Nonprofit Act, which are permitted to be "otherwise set forth in the Bylaws." Such resolutions shall be given the same force and effect as if specifically enumerated in the Declaration or the Bylaws;
- (z) Exercise any other powers conferred by the Condominium Documents, the Act, or the Nonprofit Act or that may otherwise be exercised by entities of the same type as the Association under Colorado law; and
- (aa) Exercise any other power necessary or proper for the governance and operation of the Association.
- **Section 8.3.** Actions by Board of Directors. Except as specifically otherwise provided in this Declaration, the Bylaws or the Act with respect to powers reserved to the Owners and the Classes, the Board of Directors may act in all instances on behalf of the Association. Notwithstanding anything to the contrary contained herein, those matters that constitute Class issues as described in <a href="Exhibit G">Exhibit G</a> are subject to the exclusive jurisdiction of the applicable Classes and the Board of Directors shall have no power or authority to act in contravention or frustration of any action properly taken by a Class with respect to a Class issue and shall, instead, take all actions required to effectuate such properly taken actions of the Class.
- **Section 8.4. Board of Directors Meetings.** All meetings of the Board of Directors, at which action is to be taken by vote, will be open to the Owners and Eligible First Mortgagees, and agendas for meetings of the Board of Directors shall be made reasonably available for examination by all members of the Association or their representatives and Eligible First Mortgagees, except as set forth in the Bylaws.

Section 8.5. Right to Notice and Hearing. Whenever the Condominium Documents require that an action be taken after "notice and hearing," the following procedure shall be observed, as may be supplemented and further clarified in the Rules and Regulations: The party proposing to take the action (e.g., the Board of Directors, a committee, an officer, a Managing Agent, etc.) shall give notice of the proposed action to all Owners and Eligible First Mortgagees whose interests the proposing party reasonably determines would be significantly affected by the proposed action. The notice shall be given not less than three (3) days before the proposed action is to be taken. The notice shall include a general statement of the proposed action and the date, time and place of the hearing. At the hearing, the affected Person shall have the right, personally or by a representative, to give testimony orally and/or in writing, subject to reasonable rules of procedure established in the Rules and Regulations to assure a prompt and orderly resolution of the issues. Such evidence shall be considered in making the decision but shall not bind the decision makers. The affected Person shall be notified of the decision in the same manner in which notice of the hearing was given. Any Owner or Eligible First Mortgagee having a right to notice and hearing shall have the right to appeal to the Board of Directors from a decision of a proposing party other than the Board of Directors by filing a written notice of appeal with the Board of Directors within ten (10) days after being notified of the decision. The Board of Directors shall conduct a hearing within forty-five (45) days, giving the same notice and observing the same procedures as were required for the original hearing.

Section 8.6. Payments to Working Capital Account. In order to provide the Association with adequate working capital funds, the Association will collect from purchasers, at the time of the initial sale by Declarant of each Unit, subject to the exclusions listed below, an amount not to exceed three (3) months' worth of annual Assessments based on the Association's Budget in effect at the time of the conveyance. Such payments to this fund shall not be considered advance payments of annual Assessments. Such working capital charge will not be levied on the initial sale (but will be levied in the subsequent sale) by Declarant of: (a) any Unit to an Affiliate of Declarant; (b) any transfer by foreclosure or deed in lieu of foreclosure by the First Mortgagee holding a Security Interest in a Unit pledged by Declarant; and (c) any Residential Unit or Vacation from Declarant to the Plan Developer.

Section 8.7. LIMITATION ON ASSOCIATION LIABILITY. NOTWITHSTANDING THE DUTY OF THE ASSOCIATION TO MAINTAIN AND REPAIR PORTIONS OF THE PROPERTY, THE ASSOCIATION SHALL NOT BE LIABLE TO OWNERS FOR INJURY OR DAMAGE, OTHER THAN FOR THE COST OF MAINTENANCE AND REPAIR, CAUSED BY ANY LATENT CONDITION OF THE PROPERTY TO BE MAINTAINED AND REPAIRED BY THE ASSOCIATION, OR CAUSED BY THE ELEMENTS OR OTHER OWNERS OR PERSONS.

# ARTICLE 9 ASSESSMENTS

**Section 9.1.** Commencement of Annual Assessments. Until the Association makes an Assessment for Common Expenses, Declarant shall pay all Common Expenses. After any Assessment has been made by the Association, Assessments for Residential Units shall be made no less frequently than annually and shall be based on the Budget.

**Section 9.2. Annual Assessments.** The Association shall levy annual Assessments to pay for the Common Expense Liability allocated to each Unit pursuant to this Declaration. The total annual Assessments shall be based upon the Budget. Any surplus funds of the Association remaining after payment of or provision for Common Expenses and after any prepayment of or provision for reserves, as determined by the Board of Directors, shall be refunded to the Owners in proportion to their Common Expense Liability or credited to them to reduce their future Assessments for Common Expenses, as determined by the Board of Directors in its discretion.

Section 9.3. Apportionment of Annual Assessments. Subject to Section 9.2, the total annual Assessments for any fiscal year of the Association shall be assessed to the Units in proportion to their percentage of Common Expense Liability as allocated pursuant to Section 4.2, subject to: (a) Common Expenses which are separately metered or assessed to the Units by third parties or pursuant to service agreements with third parties; (b) Common Expenses associated with the operation, maintenance, repair or replacement of Limited Common Elements, which shall be assessed equally or on such other equitable basis as the Board of Directors shall determine to the Units to which the specific Limited Common Elements are appurtenant; (c) Common Expenses or portions thereof benefiting fewer than all of the Units which shall be assessed exclusively against the Units benefited, and Common Expenses or portions thereof which benefit certain Units more than others which shall be allocated in proportion to such benefit; (d) any increased cost of insurance based upon risk which shall be assessed to Units in proportion to the risk; (e) any Common Expense caused by the misconduct of any Owner(s), which may be assessed exclusively or on such other equitable basis as the Board of Directors shall determine against such Owner(s); and (f) any expenses which are otherwise charged equally to the Units. All such allocations of Common Expense Liability to the Units on a basis other than the Units' percentage of Common Expense Liability shall be determined by the Board of Directors. To the extent certain items or services benefit only the Owners of a certain type of Unit and/or within a certain Class or Classes and/or to the extent real or personal property owned by the Association is only available for use by or only benefits the Owners of a certain type of Unit and/or within a certain Class or Classes, costs and expenses associated with such items shall be assessed only against the Owners of such type of Unit or within the applicable Class(es).

Section 9.4. Common Expenses for the Units. In apportioning the Common Expenses between the Residential Units, the Hotel Units, the Administrative Units, and the Commercial Units, the Association shall endeavor to do so in a manner which reasonably reflects the actual costs of operating and managing the Project, including apportionment to the Residential Units of expenses associated with areas set aside for, or used exclusively only by Owners of Residential Units, apportionment to the Hotel Units of expenses associated with areas set aside for, or used exclusively only by Owners of Hotel Units, apportionment to the Administrative Units of expenses associated with areas set aside for, or used exclusively only by Owners of Administrative Units, and apportionment to the Commercial Units of expenses associated with areas set aside for, or used exclusively by only Owners of Commercial Units. Without limitation, in apportioning the Common Expenses, the Association shall:

(a) <u>Separate Meter</u>. All Commercial Units, Administrative Units, and the Hotel Units together with any Limited Common Element assigned to such Units, may, to the extent feasible and in the Association's sole discretion, be separately metered for payment

of all charges for electricity, cable, water and sewer, which shall be the responsibility of the Owner of the Commercial Unit, Administrative Units, or the Hotel Units, respectively;

- (b) <u>Trash Removal</u>. Trash removal shall be apportioned to the individual Commercial Units, Administrative Units, and the Hotel Units in a manner which reasonably reflects the particular uses of the respective Units;
- (c) <u>Common Elements, Residential Hallways and Amenities Areas</u>. The cost of operating, maintaining, repairing, painting and recarpeting of areas designated as Common Elements, including but not limited to the hallways exclusively in portions of the Project where Residential Units (including Vacation Units) are located, shall be allocated to the Residential Units. The costs of operating, repairing and maintaining the pool area, hot tubs, recreational and entertainment areas shall be allocated to the Residential Units (including Vacation Units) and Hotel Unit(s).

#### Section 9.5. Hotel LCE.

- (a) The Hotel LCE as shown on the Map shall be a Limited Common Element to the Hotel Unit(s) and shall be under the exclusive control of Hotel Unit(s).
- (b) The Owner of the Hotel Unit(s) shall be solely responsible for the routine cleaning, snow removal and operation of any outdoor portions of the Hotel LCE.

#### Section 9.6. Central Mechanical Equipment.

- (a) The Association will operate the Central Mechanical Equipment to provide (A) domestic hot and cold running water for the use of the Units and, as the Association deems necessary or desirable, the Common Elements; (B) heating and cooling as the Association deems necessary or desirable for the interior Common Elements and the Units, specifically including fan coils which may be located in the Common Elements or within certain Units. The Association shall have the right to access Units for inspection, service, repair and replacement of any fan coils units located within a Unit; and (C) other utilities and services as the Association deems necessary or desirable for the use of the Units or the Common Elements. The Association's costs to operate the Central Mechanical Equipment, including the costs of utilities not otherwise paid directly by the Owners, will be included in Common Expenses, subject to the provisions of Section 9.6(b) below. The Association is not responsible if any utilities are unavailable through no fault of the Association.
- (b) Either Declarant or the Association may install meters or similar measuring devices on some of the Central Mechanical Equipment or Utility lines to measure the Central Mechanical Equipment services or utilities (not otherwise paid directly by the Owners) separately supplied to the residential portion (including all Residential Units and LCE-R), the hotel portion (including all Hotel Units and Hotel LCE), and the commercial portion (including all Commercial Units and LCE-C) of the Condominium Project. From and after the date of installation of such meters or measuring devices, the costs of operating or providing the Central Mechanical Equipment or utilities separately metered or measured pursuant to this paragraph will be divided among the Residential Units, Hotel Units, Administrative Units, and the Commercial Units based upon usage as measured by the

meters or measuring devices and will be assessed against each Unit as provided in this Declaration.

- (c) The Association may install meters or similar measuring devices on some or all of the Central Mechanical Equipment or utility lines to measure the Central Mechanical Equipment services or utilities (not otherwise paid directly by the Owners) separately supplied to each Unit and Common Element. From and after the date of installation of such meters or measuring devices, the costs of operating or providing the Central Mechanical Equipment or utilities separately metered or measured pursuant to this paragraph will be divided among the Units and Common Elements based upon usage as measured by the meters or measuring devices.
- **Section 9.7. Disputes Regarding Apportionment of Assessments.** Except for actions to enforce the payment of any Assessment imposed under this ARTICLE 9, any disputes between Commercial Owners, Administrative Owners, Hotel Unit Owners, Residential Owners, Vacation Owners, on the one hand, and the Association, on the other, concerning the apportionment of Common Expense Assessments shall be resolved in accordance with the following:
  - (a) <u>Mediation</u>. The parties shall attempt in good faith to resolve any dispute promptly by mediation between persons who have authority to settle the controversy ("**Executive**") in accordance with this subparagraph. Any party may give another party written notice of any breach, any objection to a notice of breach, any failure to cure a breach, or any dispute not resolved in the normal course of business ("**Mediation Notice**"). Within ten (10) days after receipt of any Mediation Notice, the parties to the dispute shall meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary, to attempt to select an unrelated third party mediator. If the parties cannot agree on the selection of a mediator twenty (20) days after the Mediation Notice, they each shall appoint an unrelated third party within thirty (30) days of the Mediation Notice and, within forty (40) days of the Mediation Notice, such third parties shall appoint a neutral third party to mediate the dispute within sixty (60) days of the Mediation Notice.
  - (b) <u>Arbitration</u>. Any dispute which has not been resolved by mediation as set forth above within sixty (60) days of the date of the Mediation Notice, shall be finally settled by binding arbitration conducted in accordance with the terms of this subparagraph, upon written demand for arbitration by any party ("Arbitration Demand") provided, however, that if one party has requested the other to participate in mediation and the other has failed to participate, the requesting party may make demand for arbitration before expiration of such sixty (60) days. Arbitration proceedings shall be conducted pursuant to the Rules of the American Arbitration Association.
    - (i) As soon as reasonably possible following the Arbitration Demand, but not later than fifteen (15) days after the date of such Demand, the parties, in good faith, shall attempt to select a mutually acceptable arbitrator to hear and decide the matter or matters in controversy. In the event the parties cannot agree on a mutually acceptable arbitrator within thirty (30) days after the date of such Demand, each party shall appoint an unrelated third party within forty (40) days after the date

of such Demand and, within fifteen (15) days of the date of the appointment of the last such unrelated third parties, such third parties shall appoint an arbitrator to hear and settle the dispute in accordance with the terms and provisions hereof. If any party does not appoint an unrelated third party in a time manner or if such third parties cannot or do not appoint an arbitrator in a timely manner, then any party may make application to the District Court for Summit County, Colorado for appointment of an arbitrator.

- (ii) The arbitration shall be conducted by a single arbitrator and the decision of the arbitrator shall be final, enforceable, binding, and unappealable to any court or tribunal, except as otherwise may be provided by Colorado law. Such decision shall be enforceable with the same force and effect as if issued by any court of competent jurisdiction. The decision of the arbitrator shall be based upon the evidence and facts presented by the parties and shall be in accordance with Colorado law. The arbitrator is not empowered to award damages in excess of compensatory damages.
- (iii) The costs of the arbitration, including reasonable attorney fees, shall be awarded to the prevailing party. If there is no prevailing party, such fees and costs may be awarded at the discretion of the arbitrator who, in making such award, shall assess the relative good or bad faith of the parties throughout the dispute.
- (iv) All arbitration proceedings shall be conducted to expedite resolution and minimize cost. Disclosures shall be required and discovery shall be allowed and both shall be governed by Rules 26-37 of the Colorado Rules of Civil Procedure, as amended, except that upon application of either party, the arbitrator, in the interest of justice and efficiency, may limit discovery as such arbitrator deems appropriate.
  - (v) The place of arbitration shall be Breckenridge, Colorado.

**Section 9.8. Special Assessments.** In addition to the annual Assessments authorized above, the Board of Directors may at any time and from time to time determine, levy, and assess in any fiscal year a special Assessment applicable to that particular fiscal year (and for any such longer period as the Board of Directors may determine) for the purpose of defraying, in whole or in part, the unbudgeted costs, fees, and expenses of any construction, reconstruction, repair, demolishing, replacement, renovation or maintenance of the Project, specifically including any fixtures and personal property related to it and any other unbudgeted or unanticipated costs of the Association. Any amounts determined, levied, and assessed pursuant to this Declaration shall be assessed to the Units pursuant to the provisions in Section 9.3 above.

Section 9.9. Due Dates for Assessment Payments. Unless otherwise determined by the Board of Directors, the Assessments which are to be paid in installments shall be paid quarterly in advance and shall be due and payable to the Association at its office or as the Board of Directors may otherwise direct in any Management Agreement, without notice (except for the initial notice of any special Assessment), on the date and in the installments determined by the Board of Directors, as set forth in the Rules and Regulations. The Board of Directors may establish different

different types of Units (Residential installments for (other /Commercial/Hotel/Vacation) or for Owners of multiple Units of any type. The Association shall be responsible for charging, collecting, and enforcing the obligations of the Owners to pay Assessments, including any Assessments levied solely against any Class. If any such installment shall not be paid when due and payable, then the Board of Directors may assess a late charge, default interest charge (not to exceed the rate from time to time allowed by Section 38-33.3-315 of the Act or other Applicable Law), fee, or such other charge as the Board of Directors may fix by rule from time to time to cover the extra expenses involved in handling such delinquent Assessment installment. An Owner's Assessment shall be prorated if the ownership of a Unit commences or terminates on a day other than the first day or last day, respectively, of the applicable payment period. However, if the Common Expense Liability is re-allocated in accordance with this Declaration, any installment(s) of an Assessment not yet due shall be recalculated to reflect the re-allocated Common Expense Liability.

**Section 9.10. Default Assessments.** All Costs of Enforcement assessed against an Owner pursuant to the Condominium Documents, any Fines, and any expense of the Association which is the obligation of an Owner pursuant to the Condominium Documents and is not paid when due shall become a Default Assessment assessed against the Owner's Unit. Notice of the amount and demand for payment of such Default Assessment shall be sent to the Owner prior to enforcing any remedies for non-payment hereunder.

Section 9.11. Covenant of Personal Obligation for Assessments. Declarant, by creating the Units pursuant to this Declaration, and all other Owners, by acceptance of the Deed or other instrument of transfer of such Owner's Unit (whether or not it shall be so expressed in such Deed or other instrument of transfer), are deemed to personally covenant and agree, jointly and severally, with all other Owners and with the Association, and hereby do so covenant and agree to pay to the Association the (a) annual Assessments, (b) special Assessments, and (c) Default Assessments applicable to the Owner's Unit. No Owner may waive or otherwise escape personal liability for the payment of the Assessments provided for in this Declaration by not using the Common Elements or the facilities located on or in the Common Elements or by abandoning or leasing such Owner's Unit.

Section 9.12. Lien for Assessments: Assignment of Rents. All Assessments (including installments of the Assessments) arising under the provisions of the Condominium Documents shall be burdens running with, and a perpetual lien in favor of the Association upon, the specific Unit to which such Assessments apply. To further evidence such lien upon a specific Unit, the Association shall prepare a written lien notice setting forth the description of the Unit, the amount of Assessments on the Unit unpaid as of the date of such lien notice, the rate of default interest as set by the Rules and Regulations, the name of the Owner or Owners, and any and all other information that the Association may deem proper. The lien notice shall be signed by a member of the Board of Directors, an officer of the Association, or the Managing Agent and shall be recorded in the Records. Any such lien notice shall not constitute a condition precedent or delay the attachment of the lien, but such lien is a perpetual lien upon the Unit and attaches without notice at the beginning of the first day of any period for which any Assessment is levied. Upon any default in the payment of any Assessments, the Association shall also have the right to appoint a receiver to collect all rents, profits, or other income from the Unit payable to the Owner and to apply all such rents, profits, and income to the payment of delinquent Assessments. Each Owner,

by ownership of a Unit, agrees to the assignment of such rents, profits and income to the Association effective immediately upon any default in the payment of annual, special, or Default Assessments.

Section 9.13. Remedies for Nonpayment of Assessments. If any Assessment (or any installment of the Assessment) is not fully paid when due, then as often as the same may happen, default interest, late charges, and Costs of Enforcement will accrue as set forth in the Rules and Regulations. In addition, if any Assessment (or any installment of the Assessment) is not fully paid within thirty (30) days after the same becomes due and payable, then as often as the same may happen, (a) the Association may charge a fee for late payment as set forth in the Rules and Regulations, (b) interest shall accrue at the default rate set by the Rules and Regulations on any amount of the Assessment in default plus any late fee imposed, accruing from the due date until date of payment, (c) the Association may declare due and payable all unpaid installments of the annual Assessment or any special Assessment otherwise due during the fiscal year during which such default occurred, (d) the Association may thereafter bring an action at law or in equity, or both, against any Owner personally obligated to pay the same, (e) the Association may proceed to foreclose its lien pursuant to the power of sale granted to the Association by this Declaration or in the manner and form provided by Colorado law for foreclosure of real estate mortgages, (f) the Association may suspend the Owner's right to vote in Association matters until the Assessment is paid, and (g) the Association may pursue any other remedies available pursuant to the Condominium Documents or Applicable Law. An action at law or in equity by the Association (or counterclaims or cross-claims for such relief in any action) against an Owner to recover a money judgment for unpaid Assessments (or any installment thereof) may be commenced and pursued by the Association without foreclosing or in any way waiving the Association's lien for the Assessments. Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to stop or otherwise preclude the Association from again foreclosing or attempting to foreclose its lien for any subsequent Assessments (or installments thereof) which are not fully paid when due or for any subsequent Default Assessments. The Association shall have the power and right to bid in or purchase any Unit at foreclosure or other legal sale and to acquire and hold, lease, mortgage, and to convey, or otherwise deal with the Unit acquired in such proceedings.

Section 9.14. Purchaser's Liability for Assessments. Notwithstanding the personal obligation of each Owner to pay all Assessments on the Unit, and notwithstanding the Association's perpetual lien upon a Unit for such Assessments, all purchasers of a Unit shall be jointly and severally liable with the prior Owner(s) of such Unit for any and all unpaid Assessments against such Unit, without prejudice to any such purchaser's right to recover from any prior Owner any amounts paid thereon by such purchaser. A purchaser's obligation to pay Assessments shall commence upon the date the purchaser becomes the Owner. For Assessment purposes, the date a purchaser becomes the Owner shall be determined as follows: (a) in the event of a conveyance or transfer by foreclosure, the date a purchaser becomes the Owner shall be deemed to be upon the expiration of all applicable redemption periods; (b) in the event of a conveyance or transfer by deed in lieu of foreclosure a purchaser shall be deemed to become the Owner of the Unit upon the execution and delivery of the deed or other instruments conveying or transferring title to the Unit, irrespective of the date the deed is recorded; and (c) in the event of conveyance or transfer by Deed, a purchaser shall be deemed to become the Owner upon the execution and delivery of the Deed or other instruments conveying or transferring title of the Unit, irrespective of the date the Deed is recorded. However, such purchaser shall be entitled to rely upon the existence and status

of unpaid Assessments as shown upon any certificate issued by or on behalf of the Association to such named purchaser pursuant to the provisions of this Declaration.

Section 9.15. Waiver of Homestead Exemption; Subordination of Lien for Assessments. By acceptance of the Deed or other instrument of transfer of a Unit, each Owner irrevocably waives the homestead exemption provided by Part 2, Article 41, Title 38, Colorado Revised Statutes, as amended. The Association's perpetual lien on a Unit for Assessments shall be superior to all other liens and encumbrances except the following:

- (a) real property ad valorem taxes and special assessment liens duly imposed by a Colorado governmental or political subdivision or special taxing district, or any other liens made superior by statute;
- (b) liens recorded prior to this Declaration unless otherwise agreed by the parties thereto; and
- (c) the lien of any First Mortgagee except to the extent the Act grants priority for Assessments to the Association.

Any First Mortgagee who acquires title to a Unit by virtue of foreclosing a First Mortgage or by virtue of a Deed or assignment in lieu of such a foreclosure, or any purchaser at a foreclosure sale of the First Mortgage, will take the Unit free of any claims for unpaid Assessments and Costs of Enforcement against the Unit which accrue prior to the time such First Mortgagee acquires title to the Unit except to the extent the amount of the extinguished lien may be reallocated and assessed to all Units as a Common Expense and except to the extent the Act grants lien priority for Assessments to the Association. All other Persons not holding liens described in this Section and obtaining a lien or encumbrance on any Unit after the recording of this Declaration shall be deemed to consent that any such lien or encumbrance shall be subordinate and inferior to the Association's lien for Assessments and Costs of Enforcement as provided in this Article, whether or not such consent is specifically set forth in the instrument creating any such lien or encumbrance.

The sale or other transfer of any Unit shall not affect the Association's lien on such Unit for Assessments due and owing prior to the time such purchaser acquired title and shall not affect the personal liability of each Owner who shall have been responsible for the payment thereof except (a) as provided above with respect to First Mortgagees, (b) in the case of foreclosure of any lien enumerated in this Section, and (c) as provided in the next Section. Further, no such sale or transfer shall relieve the purchaser of a Unit from liability for, or the Unit from the lien of, any Assessments made after the sale or transfer.

Section 9.16. Statement of Status of Assessments. Within fourteen (14) calendar days after receipt of written notice to the Managing Agent or, in the absence of a Managing Agent, to the Board of Directors and payment of a reasonable fee set from time to time by the Board of Directors as set forth in the Rules and Regulations, any Owner, holder of a Security Interest, prospective purchaser of a Unit or their designees shall be furnished a statement of the Owner's account setting forth:

(a) the amount of any unpaid Assessments then existing against a particular Unit;

- (b) the amount of the current installments of the annual Assessment and the date that the next installment is due and payable;
- (c) the date(s) for payment of any installments of any special Assessments outstanding against the Unit; and
- (d) any other information, deemed proper by the Association, including the amount of any delinquent Assessments created or imposed under the terms of this Declaration.

Upon the issuance of such a certificate signed by a member of the Board of Directors, by an officer of the Association, or by a Managing Agent, the information contained therein shall be conclusive upon the Association as to the Person or Persons to whom such certificate is addressed and who rely on the certificate in good faith. An Eligible First Mortgagee holding 20% or more of the outstanding First Mortgagees shall be entitled to obtain a Statement of Status of Assessments annually, without charge.

**Section 9.17. Liens.** Except for Assessment liens as provided in this Declaration, mechanics' liens (except as prohibited by this Declaration), tax liens, judgment liens and other liens validly arising by operation of law, and liens arising under Security Interests, there shall be no other liens obtainable against the Common Elements or against the interest of any Owner in the Common Elements (except a Security Interest in the Common Elements that may be granted by the Association pursuant to the requirements of the Act).

## ARTICLE 10 MAINTENANCE RESPONSIBILITY

**Section 10.1. Rights and Duties of Owners.** The provisions of this Section 10.1 shall apply to all Units other than the Vacation Units.

- (a) Except as may be provided in the purchase and sale agreement or other conveyancing documents executed by Declarant in connection with sales to initial purchasers of the Units, each Owner shall have the exclusive right and duty to paint, tile, wax, paper, or otherwise decorate or redecorate and to maintain and repair the interior surfaces of the walls, floors, ceilings, windows and doors forming the boundaries of such Owner's Unit and all walls, floors, ceilings, and doors within such boundaries. Notwithstanding the foregoing, no Owner (other than Declarant) shall be permitted to install any hardwood floor or other hard surface improvements in any Unit that might affect adjoining Units by increasing noise or vibrations, without the prior written approval of the Board of Directors, which approval may be denied, or conditioned, in the Board's sole discretion.
- (b) The Owner of any Unit shall, at the Owner's expense, maintain and keep in repair all fixtures, equipment, and utilities installed and included in a Unit commencing at a point where the fixtures, equipment, and utilities enter the Unit. An Owner shall not allow any action or work that will impair the structural soundness of the Improvements, impair the proper functioning of the utilities, heating, ventilation, or plumbing systems, the Central Mechanical Equipment, or other building systems or Common Elements (expressly

including the Limited Common Elements) or the integrity of the Improvement(s), or impair any easement or hereditament. Without limiting the generality of the foregoing, with respect to any utility line, cable, conduit, pipe or similar improvement serving a Unit, the Owner shall be responsible for its maintenance and repair from the point at which the improvement meets the boundary of the Unit (or if greater, the boundary of the Limited Common Elements appurtenant to and accessible only from that Unit and the Association shall be responsible for such maintenance and repair where such improvements run on or under the Common Elements to such point). These clarifying provisions are not intended to and shall not be deemed to expand or alter the obligations of Owners or the Association, as applicable, with respect to utility providers or other service providers, or the rights of the Association with respect to the Common Elements (expressly including the Limited Common Elements). Each Owner shall be responsible for routine maintenance and care of the walls, floors, ceilings, windows and doors of any Limited Common Element balcony and of any other Limited Common Elements appurtenant to and accessible only from the Owner's Unit, and for keeping the same in a good, clean, sanitary, and attractive condition, provided that the Association (a) shall be responsible for all structural repairs, replacements, and non-routine maintenance and repairs such as painting, and (b) may choose to maintain all or any portion of the Limited Common Elements for reasons of uniformity, aesthetics or structural considerations, and (c) may impose standards for maintenance and aesthetics applicable to such Limited Common Elements through the Rules and Regulations.

- (c) The Hotel Unit Owner shall maintain the Hotel Unit(s) and Hotel LCE, at its expense, in accordance with the Hotel Standards. The Association may not restrict or restrict or prohibit the Hotel Owner's (or its Occupants) access to, or enjoyment of, the Hotel LCE.
- (d) The Association shall, at the expense of the VSR Administrative Unit Owner, maintain, repair and replace the VSR Parking LCE in accordance with the Hotel Standards applicable to parking areas and consistently applied to the entire Project parking areas. In relation to such maintenance, repair, and replacement, the Association shall preserve and protect the VSR Administrative Unit Owner's ability to use and enjoy the VSR Parking LCE and shall not unreasonably restrict or prohibit the Owner's (or its Occupants) access to, or enjoyment of, the VSR Parking LCE, subject to the permitted exceptions to this general rule under the Act, specifically C.R.S. 38-33.3-202.5 as applicable to all Common Elements.
- (e) The Vacation Units shall be maintained by the Association, through the Vacation Managing Agent, in accordance with the Hotel Standards approved by the Plan Developer.
- (f) The Association, through the Project Managing Agent, shall maintain the Common Elements in accordance with the Hotel Standards.
- **Section 10.2. Owner's Negligence.** Except as expressly provided in ARTICLE 17, regarding insurance, in the event that the need for maintenance, repair, or replacement of all or any portion of the Project is caused through or by the negligent or willful act or omission of an Owner

or Occupant, then the expenses incurred by the Association for such maintenance, repair, or replacement shall be a personal obligation of such Owner; and, if the Owner fails to repay the expenses incurred by the Association within seven days after notice to the Owner of the amount owed, then the failure to so repay shall be a default by the Owner, and such expenses shall automatically become a Default Assessment determined and levied against such Unit, enforceable by the Association in accordance with this Declaration.

**Section 10.3. Responsibility of the Association.** Subject to the obligations of the Master Association with respect to the Master Common Elements, the Association, without the requirement of approval of the Owners, shall maintain and keep in good repair, replace, and improve, as a Common Expense, in accordance with the Hotel Standards all of the Project not required in this Declaration to be maintained and kept in good repair by an Owner.

### ARTICLE 11 MECHANICS' LIENS

Section 11.1. Mechanics' Liens. Subsequent to recording of this Declaration and the filing of the Map in the Records, no labor performed or materials furnished for use and incorporated in any Unit with the consent of or at the request of the Owner or the Owner's agent, contractor or subcontractor, shall be the basis for the filing of a lien against a Unit of any other Owner not expressly consenting to or requesting the same, or against any interest in the Common Elements except as to the undivided interest therein appurtenant to the Unit of the Owner for whom such labor shall have been performed or such materials shall have been furnished. Each Owner shall indemnify and hold harmless each of the other Owners and the Association from and against any liability or loss arising from the claim of any mechanics' lien or for labor performed or for materials furnished in work on such Owner's Unit, against the Unit of another Owner or against the Common Elements, or any part thereof.

**Section 11.2.** Enforcement by the Association. At its own initiative or upon the written request of any Owner, if the Association determines that further action by the Association is proper, the Association shall enforce the indemnity provided by the provisions of this ARTICLE 11 by collecting from the Owner of the Unit on which the labor was performed or materials furnished the amount necessary to discharge by bond or otherwise any such mechanics' lien, to pay all costs and reasonable attorneys' fees incidental to the lien, and to obtain a release of such lien. If the Owner of the Unit on which the labor was performed or materials furnished refuses or fails to indemnify within five (5) days after the Association shall have given notice to such Owner of the total amount of the claim, then the failure to so indemnify shall be a default by such Owner under the provisions of this ARTICLE 11, and such amount to be indemnified shall automatically become a Default Assessment determined and levied against such Unit, and enforceable by the Association pursuant to this Declaration.

## ARTICLE 12 USE RESTRICTIONS

**Section 12.1. Use of Residential Units.** Except for uses reserved to Declarant in ARTICLE 15 entitled "Special Declarant Rights and Additional Reserved Rights," except for any uses reserved to the Hotel Unit Owner, and except for any uses reserved for the Plan Developer,

all Residential Units, including Vacation Unit(s), shall be used for dwelling purposes only and shall otherwise be used only in accordance with all Applicable Laws. Except as otherwise restricted herein or in the Rules and Regulations, an Owner of a Residential Unit, other than the Owner of Vacation Estate(s), may rent or lease such Residential Unit(s) to others for residential purposes, solely in accordance with the Association's rental manager standards and Rules and Regulations, and may otherwise use its Unit(s) for any residential purpose that does not cause unreasonable disturbance to other Owners and which are permitted by Applicable Law. Notwithstanding anything to the contrary set forth in the Condominium Documents, (a) Declarant, any First Mortgagees, and the assignee of a Unit acquired from Declarant's First Mortgagee and held for resale purposes, and (b) Plan Developer, any First Mortgagees, and the assignee of a Vacation Unit or Vacation Estate acquired from Plan Developer's First Mortgagee and held for resale purposes, shall each have the right to rent any Units and Vacation Estates thereby owned.

Section 12.2. Use of Common Elements. Except as may be permitted in the Limited Common Elements pursuant to the Governing Documents, there shall be no obstruction of the Common Elements, nor shall anything be kept or stored on any part of the Common Elements by any Owner without the prior written approval of the Board of Directors. Except for Declarant, no Owner or third-party marketing, posting or other activities related to the resale of a Unit by any Owner shall be permitted on or within the Common Elements without the prior written approval of Declarant and the Board of Directors. Nothing shall be altered on, constructed in, or removed from the Common Elements by any Owner without the prior written approval of the Board of Directors. Owners and Occupants shall not disturb, damage, or have access to, certain restricted access areas in the Common Elements such as those specified in Section 14.1 and any other areas so designated on the Map or in the Rules and Regulations.

Section 12.3. Commercial Activities. Subject to the provisions of Section 12.3 and Section 12.5 and the requirements of the Rules and Regulations, the Commercial Units may be used for any purposes and uses permitted by Applicable Law; provided, each Commercial Unit shall be used for legal business or commercial purposes compatible with the Hotel Standards, which are not otherwise prohibited under the Condominium Documents. A variety of commercial activities (as further described below, the "Commercial Activities") may be conducted in and adjacent to the Project ("Commercial Activity Areas"). The Commercial Activities may generate an unpredictable amount of visible, audible and odorous impacts and disturbances. The Commercial Activities may include, without limitation, to the extent permitted by Applicable Law: (i) office and retail uses, (ii) retail sales and rentals, (iii) restaurant and bar operations (including, without limitation, sales of food and alcoholic and non-alcoholic beverages for consumption on and immediately adjacent to the Project and at other locations, preparation of hot and cold food and beverages at indoor and outdoor facilities on and immediately adjacent to the Project), (iv) sales of services relating to recreational activities, (v) the installation, operation and maintenance of illuminated and non-illuminated signage, (vi) meetings and conferences, (vii) recreation and Residential-related activities, (viii) the provision of food and beverage services to other portions of the Property (to the extent permitted by law), (ix) hotel use and occupancy of the Hotel Unit(s), (ix) dog daycare activities, (x) uses or activities set forth in Article 13 below, (xi) sales of tickets for chairlifts, gondolas, other transportation systems, and other activities and events conducted on the Mountain Recreational Areas (as defined below), (xii) sales of services relating to skiing, other over-the-snow activities, and other recreational activities (including, without limitation, tuning, waxing, repairing, mounting of bindings on, renting, storing and transporting skis, snowboards and

similar equipment, ski schools and other forms of individual and group lessons, tours and excursions), (xiii) public use of the adjacent properties for access to the Mountain Recreational Areas (as defined below), vehicle passenger drop-off and pick-up, locker room, changing room, rest room and lounge purposes in designated areas, and short-term clothing and equipment storage, (xiv) parking activities (including, without limitation, activities relating to valet parking or parking relating to adjacent properties), (xv) the installation, operation and maintenance of illuminated and non-illuminated signage, (xvi) concerts and other outdoor and indoor entertainment, performances and special events, which may include amplified live or recorded music, (xvii) any operation of one or more treatment facilities and other uses or activities and drone operations permitted by law, and (xviii) any other uses or activities permitted by Applicable Law. The Commercial Activities may occur during the day or night. Commercial Activities within the Commercial Units at the Project must comply with any Rules and Regulations applicable to the Commercial Units and must be compatible with the Hotel Standards.

#### Section 12.4. Exclusive Use.

- (a) Notwithstanding any provisions of this Declaration to the contrary, only the Hotel Unit Owner and Hotel Operator shall be permitted to operate, manage and maintain a hotel and commercial lodging business in the Project. Rental and property management activities for the operation of the Hotel Units may be conducted at all times, 24 hours a day without restriction by the Association or other Owners other than the Rules and Regulations applicable to the Hotel Units.
- (b) During the term of the lease of the Retail Unit by VSR or its affiliate, and while such tenant provides from that Retail Unit the on-site rental and sale of skiing and snowboarding equipment, apparel and merchandise, then Declarant (including any successor owner of a Commercial Unit) will not sell or lease space in the Project to any other party that engages in the rental or sale of skiing or snowboarding equipment, apparel or related merchandise in the Project while VSR (or its affiliate) leases the Retail Unit unless otherwise approved in writing by VSR; provided, however, the foregoing will not preclude deliveries to Owners and Occupants at the Project from off-site vendors of skiing or snowboarding equipment, apparel or related merchandise.
- (c) Notwithstanding any restriction or limitation in this Declaration, the Hotel Unit Owner shall have the sole right, without the consent or approval of the Association or other Owners, but without obligation, to (a) operate, maintain and manage the use and occupancy of the Hotel Units, subject to Rules and Regulations applicable to the Hotel Units, (b) make alterations, additions or improvements, structural and nonstructural, interior and exterior, ordinary and extraordinary, in, to and upon the Hotel Units or any other Units owned by the Hotel Unit Owner (including, without limitation, the removal of walls, floors, ceilings and other structural portions of any improvements within such units), and (c) expand, alter, discontinue, replace or add to all or any part of the Hotel Units.
- (d) Notwithstanding any restriction or limitation in this Declaration, the Plan Developer and its designated agents shall have the sole right to locate, relocate and maintain sales offices, management offices, operational facilities or offices, signs advertising the Plan, the Vacation Units and the Vacation Estates, and models within the

Project and the right to remove the same. No other Person may advertise, offer or sell any interest under a "timesharing," "vacation ownership plan," "private residence club," "non-equity club," "fractional plan" or "interval ownership" or membership plan, or any similar plan within the Project without the specific prior written approval of the Plan Developer.

Section 12.5. Prohibition of Increases in Insurable Risks and Certain Activities. Nothing shall be done or kept in any Unit or in or on the Common Elements, or any part thereof, which would result in the cancellation of the insurance on all or any part of the Project or in an increase in the rate of the insurance on all or any part of the Project over what the Association, but for such activity, would pay, without the prior written approval of the Board of Directors. Nothing shall be done or kept in any Unit or in or on the Common Elements which would be in violation of any Applicable Law. No damage to or waste of the Common Elements shall be committed by any Owner or Occupant, and each Owner shall indemnify and hold the Association and the other Owners harmless against all loss resulting from any such damage or waste caused by such Owner or an Occupant of such Owner's Unit (including all Costs of Enforcement incurred in the defense of claims arising by reason of this Section or incurred in establishing the right to indemnification). Failure to so indemnify shall be a default by such Owner under this Section and shall give rise to a Default Assessment against such Owner's Unit. At its own initiative or upon the written request of any Owner, if the Association determines that further action by the Association is proper, the Association shall enforce the foregoing indemnity as a Default Assessment levied against such Unit.

Section 12.6. Structural Alterations and Exterior Appearance. Subject to the provisions and exceptions provided in Section 12.4 above, no structural alterations to any Unit, including the construction of any additional skylight, window, door or other alteration visible from the exterior of the Unit or to any Common Element shall be made or caused to be made by any Unit Owner without the prior written approval of Declarant during the Period of Declarant Control and, thereafter, the Board of Directors. In addition, so long as VSR or an affiliate owns or operates the Breckenridge Ski Resort, alterations to the exterior Common Elements that could impact the skier experience or the Mountain Recreational Areas (defined herein) will also require the written approval of VSR. The Association shall promulgate Rules and Regulations establishing procedures for the approvals required by this Section 12.6. Such Rules and Regulations shall include, but shall not be limited to, requirements that the Owner submit (a) plans and specifications showing the nature, kind, shape, height, color, materials, and location of the proposed alterations in sufficient detail for the Association and Declarant to review them; and (b) processing and/or review fees, which may include any professional fees the Association or Declarant might incur in retaining architects or engineers to review the plans and specifications. Unit Owners shall be responsible for ensuring that all alterations comply with all Applicable Laws and that all necessary approvals are obtained from governmental authorities. No approval given by Declarant or the Association shall be deemed to imply that Declarant or the Association has reviewed any applicable requirements or the requesting Owner's compliance therewith.

**Section 12.7. Pet and Use Restrictions.** No animal pens, sheds, fences or other outbuildings or structures of any kind shall be erected by any Owner. No activity shall be allowed which interferes unduly with the peaceful possession and proper use of the Project by the Owners, nor shall any fire hazard, safety hazard or unsightly accumulation of refuse be allowed. No lights shall be emitted which are unreasonably bright or cause unreasonable glare; no sound shall be

emitted which is unreasonably loud or annoying; and no odor shall be emitted which is nauseous or unreasonably offensive to others. The Association may adopt additional policies, rules and restrictions regarding pets in the Rules and Regulations.

Section 12.8. Limit on Timesharing. No Owner, excluding Plan Developer or Plan Developer's First Mortgagee who acquires a Residential Unit or Vacation Unit through foreclosure or a deed in lieu of foreclosure, or an assignee of Plan Developer's First Mortgagee who holds such Unit(s) for resale, shall offer or sell any interest in a Residential Unit under a "timesharing," "vacation ownership plan," "private residence club," "non-equity club," "fractional plan" or "interval ownership" or membership plan, or any similar plan without the specific prior written approval of the Plan Developer. Any such approval shall be subject to the requesting Owner's compliance with all Applicable Laws.

Section 12.9. Restriction on Signs. No signs, billboards, poster boards, or advertising structure of any kind shall be displayed, erected, or maintained for any purpose whatsoever except such signs as have been approved by Declarant during the Period of Declarant Control and, thereafter, the Board of Directors, except those expressly required to be permitted under the Act (such as certain flags and political signs), if any. Such approval shall be given only if such signs are of attractive design and as small a size as reasonably possible and shall be placed or located as directed or approved by the Board of Directors. Any signs which are permitted under the foregoing restrictions shall be erected or maintained only if and to the extent they are in compliance with all Applicable Laws.

Section 12.10. Restrictions on Use of Parking and Storage Areas. Unless written permission is granted by the Board of Directors, (a) no parking shall be permitted at any location on the Common Elements unless specifically designated for parking by the Association, or in a location designated as a Limited Common Element appurtenant to a specific Unit (specifically including the VSR Parking LCE appurtenant to the VSR Administrative Unit), and (b) no storage is permitted outside of Units except in specifically designated storage areas, if any. No Owner may use any parking or storage space assigned to another without permission of the Owner to whom the parking or storage space is assigned. No Owner may use any parking space for storage or use any parking or storage space in any manner that obstructs or interferes with any other. Owner's parking or storage rights or that constitutes a safety hazard. Without limiting the generality of the powers of the Association with respect to parking or storage, the Association may promulgate Rules and Regulations governing parking and storage, and the Association is specifically authorized, but not obligated, to (i) remove any abandoned or inoperable vehicle, any vehicle parked in any area not designated for parking, or any vehicle parked in any space that is assigned to another Person or reserved for a specific use, or any vehicle parked in an obstructing or hazardous manner, except if and to the extent such parking of such vehicle is expressly required to be permitted under the Act, and (ii) remove any improperly stored or hazardous materials, in all cases at the expense of the Owner or Occupant that owns such vehicle or materials. Expenses incurred by the Association in connection with such removal (and storage, if necessary) shall be a personal obligation of such Owner and, if the Owner fails to pay such amount within seven (7) days after notice to the Owner of the amount owed, then the failure to pay shall be a default by the Owner, and such expenses shall automatically become a Default Assessment determined and levied against such Unit enforceable by the Association as provided in this Declaration. Notwithstanding the foregoing provisions of this Section, nothing herein shall be construed to

prevent Declarant's use of parking spaces or Common Elements to park vehicles and equipment necessary or desirable during the development, construction, completion and any warranty work of Improvements within the Property.

**Section 12.11. Liquor License.** To the extent necessary to comply with applicable requirements of the Liquor Code of the State of Colorado, in addition to the grant set forth in Section 14.13, the Executive Board and any Managing Agent may grant exclusive possession and control of any portion of the Common Elements and/or any Unit owned or leased by the Association to a duly authorized licensee for the limited purpose of serving all types of alcoholic beverages.

The Construction Activities are expected to generate an unpredictable amount of visible, audible and odorous impacts and disturbances. The Construction Activities may include, without limitation: (a) construction traffic (including, without limitation, construction vehicles, equipment and vehicles used or owned by VSR or its affiliates, adjacent landowners, and the employees, agents, and contractors of any of them), traveling on the roads; and (b) construction activities (including, without limitation, grading excavation, clearing, site work, relocation of roadways and public utilities and the construction of improvements) relating to infrastructure and improvements of and for the Peak 8 Base Area and the Mountain Recreational Areas.
- (d) Mountain Activities, Construction Activities, and Commercial Activities, and the impacts and disturbances generated by the Mountain Activities, Construction Activities, and Commercial Activities may occur in and around the Property.
- (e) Any view, sight lines, or openings for light or air available from an Owner's Unit may be blocked or altered in whole or in part in the future by virtue of natural or unnatural causes, including, without limitation (i) future construction or expansion of commercial or residential buildings or facilities, (ii) future construction or expansion of ski lifts, gondolas, and associated lift poles and lift towers and ski operations support facilities, and placement of temporary facilities such as tents, bleachers, viewing and presentation towers and related facilities, or (iii) natural (including, but not limited to, disease or insects such as pine beetles) or unnatural loss or alteration of vegetation or mountain slopes.

the Mountain Activities, the Construction Activities, or the Commercial Activities, or the reconfiguration of the Mountain Recreational Areas, and the Commercial Activity Areas; and (ii) against VSR and its employees, agents, officers, directors, and affiliates, and any future owner(s) and/or operator(s) of the Breckenridge Ski Resort, resulting from the blocking or altering of any view, sight lines, or openings for light or air available from an Owner's Unit by virtue of natural or unnatural causes including, without limitation (x) future construction or expansion of commercial or residential buildings or facilities, (y) future construction or expansion of ski lifts, gondolas, and associated lift poles and lift towers and ski operations support facilities, and placement of temporary facilities such as tents, bleachers, viewing and presentation towers and related facilities, or (z) natural (including, but not limited to, disease or insects such as pine beetles) or unnatural loss or alteration of vegetation or mountain slopes.

### ARTICLE 14 EASEMENTS

Section 14.1. Easement of Enjoyment; Common Elements. Every Owner shall have a perpetual non-exclusive right and easement for the use and enjoyment of, and for access over, across, and upon, any portion of the Common Elements designated for common use (but specifically excluding Common Elements designated for uses such as maintenance, storage, utility installations and service areas), which includes the benefit of a non-exclusive easement of access over, across and upon the Common Elements for the purpose of access to and from the Unit from public ways for both pedestrian and, where appropriate, vehicular travel, which right and easement shall be appurtenant to and pass with the transfer of title to such Unit; provided, however, that such right and easement shall be subject to the following:

- (a) the covenants, conditions, restrictions, easements, reservations, rights-of-way, and other provisions contained in this Declaration, and the Map;
- (b) the right of the Association from time to time to assign on an equitable basis portions of the Common Elements such as storage for the exclusive use of the Owner of a particular Unit by a resolution of the Board or other appropriate written instrument;
- (c) the right of the Association to adopt, from time to time, Rules and Regulations concerning vehicular traffic and travel upon, in, under, and across the Project;
- (d) the right of the Association to adopt, from time to time, such Rules and Regulations concerning the Project as the Association may determine are necessary or prudent for the management, preservation, safety, control, orderly operation, or use of the Project for the benefit of all Owners; and
- (e) the agreement of all Owners, pursuant to this Declaration, to use reasonable and good faith efforts not to interfere with the use and enjoyment of other Owners of the Common Elements and such other Owners' respective Units.

**Section 14.2. Easement of Enjoyment; Limited Common Elements.** Subject to the provisions of this Declaration and the Rules and Regulations, every Owner shall have the right to use and enjoy the Limited Common Elements appurtenant to such Owner's Unit.

**Section 14.3. Delegation of Use.** Any Owner may delegate, in accordance with the Condominium Documents, the Owner's right of enjoyment in the Common Elements to an Occupant of the Owner's Unit.

**Section 14.4. Recorded Easements.** The Property shall be subject to any easements as shown on any recorded plat affecting the Property, as shown on the recorded Map, or as reserved or granted under this Declaration. The recording data for recorded easements and licenses appurtenant to or included in the Property as of the date of this Declaration is set forth on Exhibit C attached hereto and incorporated herein by this reference.

**Section 14.5. Easements for Encroachments.** The Project, and all portions of it, is subject to easements hereby created for encroachments between Units and the Common Elements as follows:

- (a) in favor of all Owners, so that they shall have no legal liability when any part of the Common Elements encroaches upon a Unit;
- (b) in favor of each Owner, so that the Owner shall have no legal liability when any part of such Owner's Unit encroaches upon the Common Elements or upon another Unit; and
- (c) in favor of all Owners, the Association, and the Owner of any encroaching Unit for the maintenance and repair of such encroachments.

Encroachments referred to in this Section 14.5 include, but are not limited to, encroachments caused by error or variance from the original plans in the construction of the Improvements or any Unit constructed on the Property, by error in the Map, by settling, rising, or shifting of the earth, or by changes in position caused by repair or reconstruction of any part of the Project. Such encroachments shall not be considered to be encumbrances upon any part of the Project; provided, however, that encroachments created by the intentional act of an Owner shall not be deemed to create an easement on the Property and shall be considered an encroachment upon the Project. Such encroachment shall be removed at Owner's expense immediately upon notice from the Association. In the event such encroachment is not timely removed, the Association may effect removal of the encroachment and the expense thereof shall be a Default Assessment to the Owner.

Section 14.6. Utility Easements. There is hereby created a general non-exclusive easement upon, across, over, in, and under all of the Property, Units and Common Elements for ingress and egress and for the purpose of installation, replacement, repair, and maintenance of all utilities and services for the Owners, including but not limited to water, sewer, gas, telephone, internet, electricity, security systems, cable television, cable, and other communication systems, and for ingress and egress in connection therewith. By virtue of this easement, it shall be expressly permissible and proper for the companies providing such utilities to erect and maintain the necessary equipment on the Common Elements and to affix and maintain electrical, communications, and telephone wires, circuits, and conduits under the Property. Any utility or service company using this general easement shall (i) use its best efforts to install and maintain the utilities provided without disturbing the uses of other utilities, the Owners, the Association, or Declarant; (ii) complete its installation and maintenance activities as promptly as reasonably

possible; and (iii) restore the surface to its original condition as soon as possible after completion of its work. Should any utility or service company furnishing a service covered by this general easement request a specific easement by separate recordable document, Declarant and the Association (subject to Declarant's approval during the Period of Declarant Control), shall each have the right and authority, but not the obligation, to grant such easement upon, across, over, or under any part or all of the Property without conflicting with the terms hereof. The easements provided for in this Section 14.6 shall in no way void, extinguish, or modify any other recorded easement on the Property.

**Section 14.7. Emergency Access Easement.** A general easement is hereby granted to all police, sheriff, fire protection, ambulance, and all other similar emergency agencies or Persons to enter upon the Property in the proper performance of their duties.

**Section 14.8. Maintenance Easement.** An easement is hereby granted to the Association, the Hotel Owner, the Plan Developer and any Managing Agent and their respective officers, agents, employees and assigns upon, across, over, in, and under the Common Elements and a right to make such use of the Common Elements as may be necessary or appropriate to perform the duties and functions which they are obligated or permitted to perform pursuant to this Declaration.

Section 14.9. Easements of Access for Repair, Maintenance, and Emergencies. Some of the Common Elements are or may be located within the Units or may be conveniently accessible only through the Units. The Owners and the Association shall have the irrevocable right, to be exercised by the Association as the Owners' agent, to have access to each Unit and to all Common Elements from time to time during such reasonable hours as may be necessary for the maintenance, repair, removal, or replacement of any of the Common Elements therein or accessible therefrom or at any time for making emergency repairs therein necessary to prevent damage to the Common Elements or to any Unit. Unless caused by the negligent or willful act or omission of an Owner or Occupant, damage to the interior of any part of a Unit resulting from the maintenance, repair, emergency repair, removal, or replacement of any of the Common Elements or as a result of emergency repair within another Unit at the instance of the Association or of the Owners shall be a Common Expense. In order to effectuate this right, the Association shall retain a pass key or other access device to each Unit and an Owner shall not change the exterior lock or other access system on its Unit without the Board's prior written consent and providing the Association with a replacement key or access device to accommodate the new lock or other access system.

Section 14.10. Reservation of Air Rights and Rights in Subjacent Areas. The Declarant reserves all air rights over and under the Project for future development of the maximum number of units permitted by and subject to applicable land use laws, ordinances and regulations. In connection with the reservation and furtherance of such rights Declarant further reserves (i) the right of subjacent and lateral support for any such improvement in any Common Element to which such improvement abuts, (ii) access over such portions of the Common Elements as may be reasonably necessary to provide ingress to and egress to and from any improvements built in such area, including temporary easements during construction and (iii) utility service for such additional development. Such expansion may be accomplished by the filing of a supplement to the Map or by the filing of a separate declaration and separate map in order to create a separate condominium regime. The supplement shall set forth (A) any Common Elements attributable to the Units shown

on the supplement, (B) the floor plans and linear dimensions of the interior of the Units, (C) the designation by number or other symbol of the Units, (D) the elevation of the unfinished interior surfaces of the floors and ceilings of the Units as established from a datum plane and the distances between floors and ceilings, and (E) the number of square feet of space included within such expansion Units. Upon filing such supplement to the Map, the Allocated Interests all of the Units shall be equitably adjusted so that the expansion Units bear a fair share of the cost of operating and maintaining the Project. The rights reserved in this section may be separately assigned or conveyed by the Declarant.

**Section 14.11. Easements Deemed Created.** All conveyances of Units hereafter made, whether by Declarant or otherwise, shall be construed to grant and reserve the easements contained in this ARTICLE 14, even though no specific reference to such easements or to this ARTICLE 14 appears in the instrument for such conveyance.

Section 14.12. Easement for Warranty Work. To the extent that and for as long as any Person remains liable under any warranty, whether statutory, express or implied, for any act or omission in the development or construction of any portion of the Project, then such Person and its contractors, agents and designees shall have the right, from time to time, to enter the Units (after reasonable notice to the affected Owner) and/or the Common Elements for the purpose of making any necessary inspections, tests, repairs, improvements and/or replacements required for such Person to fulfill any of its warranty obligations. Failure of the Association or any Owner to grant such access may result in the applicable warranty being nullified and of no further force or effect.

Section 14.13. Reserved Easement of Hotel Unit Owner. There is reserved to the Hotel Unit Owner, its express successors, transferees, designees, agents, assigns and co-licensees, the exclusive right to provide hotel services on the Project in accordance with the Hotel Standards; provided, a Commercial Unit Owner, as approved by the Board, may be granted the non-exclusive right to sell, serve and deliver alcoholic beverages of every kind and character to and within all portions of the Project, specifically including the Hotel Unit(s), Residential Units, Commercial Units, the Common Elements, and all Limited Common Elements appurtenant to such Units. The exercise or grant of such exclusive and non-exclusive rights shall not be deemed to preclude, prevent or prohibit other uses of the Common Elements or the Units not in conflict with such exclusive and non-exclusive rights (for example, the Plan Developer may include a bar and the service and sale of alcoholic beverages to Vacation Estate Owners). Grantees of any interest in the Project, by acceptance of any deed, lease or license, shall be and are hereby bound by such reservations of rights.

**Section 14.14. Additional Easements.** In the event an additional easement is reasonably requested by an Owner or the Association for purposes consistent with the intent of this Declaration, each Owner and the Association, as applicable, will act reasonably and in good faith in evaluating the request and will not unreasonably withhold its consent to the granting of any such easement.

## ARTICLE 15 SPECIAL DECLARANT RIGHTS AND ADDITIONAL RESERVED RIGHTS

  - (a) <u>Dedications</u>. The right to establish, from time to time, by grant, dedication or otherwise, utility and other easements for purposes including but not limited to streets, paths, walkways, tramways, ski-ways, public trails, public bridges, flumes, ditches, drainage, recreation areas, Unit(s) access, neighbor access, parking areas, driveways, ducts, shafts, flues, conduit installation areas, and to create other reservations, exceptions and exclusions for the benefit of and to serve the Owners within the Project.

  - (d) <u>Other Rights</u>. The right to exercise any Additional Reserved Right created by any other provision of this Declaration or the Act.

Section 15.3. Limitations on Special Declarant Rights and Additional Reserved Rights. Special Declarant Rights and Additional Reserved Rights may be exercised at any time during the period described below in this Section unless sooner terminated (i) by an amendment to this Declaration executed by Declarant; (ii) pursuant to a specific provision for earlier termination set forth above; or (iii) if and to the extent otherwise required under the Act. Any Special Declarant Right or Additional Reserved Rights may be exercised by Declarant so long as

Declarant (a) is obligated under any warranty or obligation; (b) holds a Development Right; (c) owns any Unit or any interest therein including, without limitation, Vacation Interests created pursuant to ARTICLE 22; or (d) holds a Security Interest in any Unit(s); provided, however, all Special Declarant Rights and Additional Reserved Rights shall terminate thirty (30) years after the date of recording this Declaration.

Section 15.4. Interference with. Special Declarant Rights or Additional Reserved Rights. Neither the Association nor any Owner may take any action or adopt any rule and/or regulation that will interfere with or diminish any Special Declarant Rights or Additional Reserved Rights without the prior written consent of Declarant.

**Section 15.5. Rights Transferable.** Any Special Declarant Rights or Additional Reserved Right created or reserved under this ARTICLE 15 for the benefit of Declarant may be transferred to any Person by an instrument expressly describing the rights transferred and recorded in the Records. Such instrument shall be executed by the transferor Declarant and the transferee.

### ARTICLE 16 RESERVATION OF DEVELOPMENT RIGHTS

**Section 16.1. Expansion Rights.** Declarant expressly reserves the right to subject all or any part of the Real Estate described in <u>Exhibit D</u> attached hereto and hereby incorporated by reference (the "**Expansion Property**") to the provisions of this Declaration upon the substantial completion of Improvements on the Expansion Property. Except as expressly provided for herein, the consent of the existing Owners, First Mortgagees or other holders of Security Interests shall not be required for any such expansion, and Declarant may proceed with such expansion without limitation at its sole option. In addition, Declarant also expressly reserves the right to add unspecified Real Estate to the Project as allowed by the Act. Additional development rights not previously reserved may be reserved within all or any portion of the Expansion Property as allowed by the Act.

Section 16.2. Development and Withdrawal Rights. Declarant expressly reserves the right to create Units, Common Elements (including Limited Common Elements), to combine Units, to subdivide Units, to convert Units into Common Elements (expressly including Limited Common Elements), to convert Common Elements into Units, to allocate Common Elements as Limited Common Elements, and to allocate Real Estate as Limited Common Elements on all or any portion of the Real Estate reserved for future development in this Declaration or pursuant to the Map. Any improvements created, constructed or installed pursuant to the previous sentence may be referred to herein as "Additional Improvements." Declarant may exercise any or all of the Development Rights so reserved at any time within the period described in Section 16.9 with respect to all or any of the Real Estate identified as subject to Development Rights in the Declaration. No assurances are made with respect to the boundaries of any parcels that may be developed or the order in which the parcels may be developed. Exercise of a Development Right with respect to any one parcel does not require exercise of a Development Right on any other parcel of Real Estate subject to Development Rights. No assurances are made that any further development will occur. If all or any part of the Expansion Property is submitted to this Declaration, this right to reserve property for future development shall apply to such property as well. Declarant expressly reserves the right to withdraw all or any portion of the Property that is

designated as subject to withdrawal in this Declaration from the Project by recording a document evidencing such withdrawal in the Records; provided, however, that no portion of the Property may be withdrawn after a Unit in that portion of the Property has been conveyed to a purchaser. The Real Estate withdrawn from the Project shall be subject to whatever easements, if any, are reasonably necessary for the benefit of the Units, the Owners and the Association for access to or operation of the Project. Declarant shall prepare and record in the Records whatever documents are necessary to evidence such easements and shall amend <a href="Exhibit C">Exhibit C</a> to this Declaration to include reference to the recorded easement. Declarant alone is liable for all expenses in connection with Real Estate subject to Development Rights for as long as the same remains subject to Development Rights.

Section 16.3. Amendment of Declaration. If Declarant elects to submit Additional Improvements to this Declaration, or to subdivide or to convert Units or Common Elements, then at such time as a certificate of completion executed by an independent licensed or registered engineer, surveyor, or architect stating that all structural components of all buildings containing or comprising any Units thereby created are substantially completed is obtained, Declarant shall record an amendment to this Declaration reallocating the Allocated Interests so that the Allocated Interests appurtenant to each Unit will be apportioned according to the total number of Units submitted to this Declaration. The Allocated Interests apportioned to each Unit in the Project shall be based on the formulae set forth in Section 4.2. Mere subdivision of a Unit shall not change the Allocated Interests of any Unit not included in such subdivision. The amendment to this Declaration shall contain, at a minimum, the legal description of the Expansion Property, or a part thereof, or a description of the Real Estate on which the Additional Improvements being submitted to this Declaration are located and a revised schedule of the Allocated Interests appurtenant to the Units in the Project.

**Section 16.4. Supplement to the Map.** Declarant shall, contemporaneously with the amendment of this Declaration, file a supplement to the Map showing the location of the Additional Improvements constructed on the Expansion Property or the construction, combination, subdivision, conversion or allocation of Units or Common Elements allowed by this Article. The supplement to the Map shall substantially conform to the requirements contained in this Declaration.

**Section 16.5. Interpretation.** Recording of amendments to this Declaration and supplements to the Map in the Records shall automatically:

- (a) vest in each existing Unit the reallocated Allocated Interests appurtenant to such Unit; and
- (b) vest in each existing holder of a Security Interest a perfected Security Interest in the reallocated Allocated Interests appurtenant to the encumbered Unit.

Upon the recording of an amendment to this Declaration, the definitions used in this Declaration shall automatically be extended to encompass and to refer to the Property as expanded. The Expansion Property, or any part thereof, or the Additional Improvements constructed on the Property as expanded shall be added to and become a part of the Project for all purposes. All conveyances of Units after such expansion shall be effective to transfer rights in all Common

Elements as expanded, whether or not reference is made to any amendment to this Declaration or supplement to the Map. Reference to this Declaration and Map in any instrument shall be deemed to include all amendments to this Declaration and supplements to the Map without specific reference thereto.

**Section 16.6. Maximum Number of Units.** The maximum number of Units that may be created in the Project shall not exceed \_\_\_\_ Units, or, if allowed by the Act, the maximum number of Units allowed by any governmental entity having jurisdiction over the Property, pursuant to any development plan or approvals for the Property and the Expansion Property. Declarant shall not be obligated to expand the Project beyond the number of Units initially submitted to this Declaration.

**Section 16.7. Construction Easement.** Declarant reserves an easement through, over and across the Common Elements and Units as may be reasonably necessary for the purpose of discharging Declarant's obligations and exercising Declarant's reserved rights in this Declaration without consent of any party. Such easement includes the right to construct underground utility lines, pipes, wires, ducts, conduits, and other facilities across the Property not designated as reserved for future development in this Declaration or on the Map for the purpose of furnishing utility and other services to buildings and Improvements to be constructed on any of the Property reserved for future development. Declarant's reserved construction easement includes the right to grant easements to public utility companies and to convey improvements within those easements anywhere in the Common Elements not occupied by an Improvement containing Units. If Declarant grants any such easements, Exhibit C to this Declaration will be amended to include reference to the recorded easement.

# **Section 16.8. Reciprocal Easements.** If property is withdrawn from the Project ("Withdrawn Property"):

- (a) the owner(s) of the Withdrawn Property shall have whatever easements are necessary or desirable, if any, for access, utility service, repair, maintenance and emergencies over and across the Project for the benefit of the Withdrawn Property; and
- (b) the Owner(s) in the Project shall have whatever easements are necessary or appropriate, if any, for access, utility service, repair, maintenance, and emergencies over and across the Withdrawn Property for the benefit of the Units. Declarant shall prepare and record in the Records whatever documents are necessary to evidence such easements and shall amend Exhibit C to this Declaration to include reference to the recorded easement(s). Such recorded easement(s) shall specify that the owner(s) of the Withdrawn Property and the Expansion Property and the Owners in the Project shall be obligated to pay a proportionate share of the cost of the operation and maintenance of any easements utilized by either one of them on the other's property upon such reasonable basis as Declarant shall establish in the easement(s). Preparation and recordation by Declarant of an easement pursuant to this Section 16.8 shall conclusively determine the existence, location and extent of the reciprocal easements that are necessary or desirable as contemplated by this Section 16.8.

Section 16.9. Termination of Development Rights. The Development Rights reserved to Declarant, for itself, its successors and assigns, shall expire thirty (30) years after the date of recording this Declaration in the Records, unless the Development Rights are reinstated or extended by the Association as provided in the Act, subject to whatever terms, conditions, and limitations the Board of Directors may impose on the subsequent exercise of Development Rights by Declarant. Declarant may at any time release and relinquish some or all of the Development Rights with respect to all or any part of the Real Estate subject to such rights by instrument executed by Declarant and effective when recorded in the Records. Upon the expiration or other termination of the Development Rights, any Real Estate then subject to such rights shall become Common Elements or Units, as applicable.

Section 16.10. Interference With Development Rights. Neither the Association nor any Owner may take any action or adopt any rule or regulation that will interfere with or diminish any Development Rights reserved by this ARTICLE 16 without the prior written consent of Declarant. In the event Owner or Association takes any such action, or is the losing party in any proceeding related to such action, Owner or Association shall be responsible for Declarant's costs, including reasonable attorney's fees, and shall also be responsible for any and all consequential damages, including damages as the result of any delay, related to such action.

**Section 16.11. Transfer of Development Rights.** Any Development Rights created or reserved under this ARTICLE 16 for the benefit of Declarant may be transferred, in whole or in part to any person by an instrument expressly describing the rights transferred and recorded in the Records. Such instrument shall be executed by the transferor Declarant and the transferee.

## ARTICLE 17 INSURANCE

**Section 17.1. Coverage.** Commencing not later than the first conveyance of a Unit to a purchaser and to the extent reasonably available, the Association shall obtain and maintain insurance coverage as set forth in this Article. The Association shall have the power and authority to obtain additional policies or coverages not specified herein in the Board's discretion. If such insurance is not reasonably available, or if any policy of such insurance is canceled or not renewed without a replacement policy, or if the Board of Directors determines that any insurance described herein will not be maintained, the Board of Directors shall promptly cause notice of that fact to be delivered to all Owners and Eligible First Mortgagees at their respective last known addresses.

- (a) <u>Property Insurance</u>. The Association shall maintain property insurance on the Project for special form covered causes of loss (or such equivalent coverage as may hereafter be customarily offered in the insurance industry) in an amount not less than the full insurable replacement cost of the insured property (as determined by the Board of Directors) less applicable deductibles at the time insurance is purchased and at each renewal date, exclusive of land and other items normally excluded from property insurance policies. Co-insurance shall not be permitted.
- (b) <u>Liability Insurance</u>. The Association shall maintain commercial general liability insurance against claims and liabilities arising in connection with the ownership, existence, use, or management of the Project, insuring the Board of Directors, the

Association, the Managing Agents, and their respective employees, agents and all Persons acting as agents therefor. The Declarant shall be included as an additional insured in Declarant's capacity as an Owner and member of the Board of Directors. Owners shall be included as additional insureds but only for claims and liabilities arising in connection with the ownership interest in, existence, use or management of the Common Elements or membership in the Association. The insurance shall cover claims of one or more insured parties against the other insured parties.

- (c) <u>Fidelity Insurance</u>. The Association shall maintain fidelity insurance on all persons who control or disburse funds of the Association. Coverage shall not be less in the aggregate than two months' current annual Assessments plus reserves, as calculated from the current Budget of the Association. Any person employed as an independent contractor by the Association, including the Managing Agents, shall be an insured employee in the policy of fidelity insurance specified above.
- (d) <u>D&O Coverage</u>. The Association shall maintain directors and officers coverage for members of the Board of Directors and any other parties that the Board of Directors elects to cover by such insurance, which may include, without limitation, the Managing Agents, committee members, volunteers, and Declarant representatives.
- (e) Other Insurance. The Board of Directors may also procure insurance against such additional risks of a type normally carried with respect to properties of comparable character and use that the Board of Directors deems reasonable and necessary in order to protect the Project, the Association and the Owners.
- (f) Owners' Policies. Each Owner of a Unit is encouraged to obtain additional insurance at such Owner's own cost for such Owner's own benefit covering all personal property within such Owner's Unit and all Improvements within the interior finished boundaries of such Owner's Unit. All such policies shall contain waivers of subrogation and provide further that the liability of the carriers issuing insurance to the Association hereunder shall not be affected or diminished by reason of any such insurance carried by any Owner. Each Owner waives and releases all claims against the Association to the extent such claim is covered by applicable insurance policies, regardless of whether damage loss or injury arose from the negligence or breach of any agreement by the Association. Each Owner acknowledges that insurance obtained by the Association does not obviate the need for an Owner to obtain separate insurance for such Owner's benefit. Each Owner may also obtain general liability insurance at such Owner's own cost for such Owner's own benefit covering operations and activities within such Owner's Unit. Such coverage may also extend to cover any legal liability imposed on an Owner due to such Owner's interest in the Common Elements.
- **Section 17.2. Required Provisions.** All insurance policies carried by the Association pursuant to the requirements of this ARTICLE 17 must provide that:
  - (a) each Owner and each Eligible First Mortgagee is an insured person under the policy with respect to liability arising out of such Owner's interest in the Common Elements or membership in the Association;

- (b) the insurer waives its rights to subrogation under the policy against any Owner or member of an Owner's household;
- (c) no act or omission by any Owner or Eligible First Mortgagee, unless acting within the scope of such Owner's authority on behalf of the Association, if any, will void the policy or be a condition to recovery under the policy;
- (d) if, at the time of a loss under the policy, there is other insurance in the name of an Owner covering the risks covered by the policy (other than an Owner's policy covering such Owner's personal property), the Association's policy provides primary insurance;
  - (e) any loss covered by the policies must be adjusted with the Association;
- (f) the insurance proceeds for any loss (other than for an Owner's personal property) shall be payable to an insurance trustee designated for that purpose, or otherwise to the Association and not to any holder of a Security Interest;
- (g) the insurer shall issue certificates or memoranda of insurance to the Association and, upon request, to any Owner or holder of a Security Interest; and
- (h) the insurer issuing the policy may not cancel or refuse to renew the policy until thirty (30) days after notice of the proposed cancellation or non-renewal has been delivered to the Association and any Owner(s) and holder(s) of Security Interests to whom a certificate or memorandum of insurance has been issued at their respective last known addresses.
- Section 17.3. Claims by Owner. An Owner may file a claim against the policy of the Association to the same extent, and with the same effect, as if the Owner were a named insured if the following conditions are met: (a) the Owner has contacted the Board of Directors or Managing Agents in writing, and in accordance with any applicable association policies or procedures for owner-initiated insurance claims, regarding the subject matter of the claim, (b) the Owner has given the Association at least fifteen (15) days to respond in writing, and, if so requested, has given the Association's agent a reasonable opportunity to inspect the damage; and (c) the subject matter of the claim falls within the Association's insurance responsibilities. The Association's insurer, when determining premiums to be charged to the Association, shall not take into account any request by an Owner for a clarification of coverage.
- **Section 17.4. Adjustment of Claims.** The Association may adopt and establish written nondiscriminatory policies and procedures relating to the submittal of claims, responsibility for deductibles, and any other matters of claims adjustment. To the extent the Association settles a property insurance claim, it shall have the authority to assess negligent Owners causing such loss or benefiting from such repair or restoration all deductibles paid by the Association. In the event more than one Unit is damaged by a loss, the Association in its reasonable discretion may assess each Owner a pro rata share of any deductible paid by the Association.
- **Section 17.5. Copies of Policies.** A copy of each insurance policy obtained by the Association shall be made available for inspection by any Owner at reasonable times.

## ARTICLE 18 RESTORATION UPON DAMAGE OR DESTRUCTION

**Section 18.1. Duty to Restore.** Any portion of the Project, for which the Association is required to carry insurance under the Act, or for which insurance carried by the Association is in effect, that is damaged or destroyed must be repaired or replaced promptly by the Association unless:

- (a) the Project is terminated;
- (b) repair or replacement would be illegal under Applicable Law or prohibited under the Condominium Documents;
- (c) sixty-seven percent (67%) of the actual Total Voting Power of the Owners, (unless a lesser percentage is required by Applicable Law and cannot be varied by Agreement, in which case such lesser percentage shall apply), but in any event including every Owner or Vacation Owner of a Unit or Limited Common Element that will not be rebuilt, vote not to rebuild; or
- (d) prior to the conveyance of any Unit to a purchaser, the holder of a Security Interest on the damaged portion of the Project rightfully demands all or a substantial part of the insurance proceeds.

In the event the Project is not repaired or replaced as allowed by Subsections (a), (b) and (c) above, then the Real Estate in the Project shall be sold and the proceeds distributed pursuant to the procedures provided for in the Act for termination of condominium projects.

- **Section 18.2.** Cost. The cost of repair or replacement in excess of insurance proceeds and reserves is a Common Expense.
- **Section 18.3. Plans.** The Property must be repaired and restored in accordance with either the original plans and specifications or other plans and specifications which have been approved by the Board of Directors and any percentage of Owners required to approve the same under the Act.
- **Section 18.4. Replacement of Less Than Entire Property.** If the entire Project is not repaired or replaced, the insurance proceeds attributable to the damaged Common Elements shall be used to restore the damaged area to a condition compatible with the remainder of the Project and, except to the extent that other persons will be distributees:
  - (a) the insurance proceeds attributable to a Unit and Limited Common Elements that are not rebuilt must be first distributed or credited to the holders of Security Interests and then to the Owner(s) of the Unit or the Vacation Estate to which the Limited Common Elements were allocated, as their interests may appear;
  - (b) the remainder of the proceeds must be distributed or credited to each Owner or holder of a Security Interest, as their interests may appear, in proportion to the Allocated Interests in the Common Elements of all the Units; and

(c) if the Owners vote not to rebuild a Unit, the Allocated Interests of the Unit shall be reallocated as if the Unit had been condemned, and the Association promptly shall prepare, execute and record an amendment to this Declaration reflecting the reallocation.

Section 18.5. Insurance Proceeds. The insurance trustee, or if there is no insurance trustee, then the Board of Directors, acting by the President, shall hold any insurance proceeds in trust for the Association, Owners and holders of Security Interests as their interest may appear. Subject to the provisions of the Sections above, the proceeds shall be disbursed first for the repair or restoration of the damaged Property, and the Association, Owners and holders of Security Interests are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the Property has been completely repaired or restored, or the Project is terminated, in which event the surplus proceeds will be distributed as provided in this Declaration and the Act. Except to the extent otherwise required by the Act, no provision of the Condominium Documents shall be construed to grant to any Owner, any priority over any rights of any First Mortgagees pursuant to the terms of their Security Interests in the case of the distribution to Owners of insurance proceeds for losses to Units, Vacation Estates and/or the Common Elements or any portions thereof.

**Section 18.6.** Certificates by the Board of Directors. The insurance trustee, if any, may rely on the following certifications in writing made by the Board of Directors:

- (a) whether or not damaged or destroyed Property is to be repaired or restored; and
- (b) the amount or amounts to be paid for repairs or restoration and the names and addresses of the parties to whom such amounts are to be paid.

Section 18.7. Certificates by Attorneys or Title Insurance Companies. If payments are to be made to Owners or holders of Security Interests, the Board of Directors, and the insurance trustee, if any, shall obtain and may rely on a title insurance company or attorney's certificate of title or a title insurance policy based on a search of the Records from the date of recording of this Declaration stating the names of the Owners and the holders of Security Interest.

### ARTICLE 19 CONDEMNATION

If all or part of the Project is taken by any power having the authority of eminent domain, all compensation and damages for and on account of the taking shall be payable in accordance with the provisions on eminent domain in the Act.

## ARTICLE 20 HOTEL UNIT OWNER RIGHTS AND DISCLOSURES

**Section 20.1. Rights of Hotel Operator.** In addition to all other rights and remedies available under this Declaration or the Act, the Hotel Operator shall have the following additional rights:

- (a) If the Association fails to maintain any Common Element in accordance with the Hotel Standards, and fails to correct the deficiency within thirty (30) days after the Hotel Unit Owner has given the Association written notice of such failure, the Hotel Unit Owner may correct the deficiency by performing any maintenance, repair or replacement as the Hotel Unit Owner deems necessary to bring the Common Elements into compliance with the Hotel Standards. The Association shall reimburse the Hotel Unit Owner for all costs incurred by the Hotel Unit Owner to correct the deficiency within thirty (30) days after the delivery of an invoice therefor to the Association. If the Association fails to reimburse the Hotel Unit Owner within such thirty (30) day period, then in addition to any other remedies the Hotel Unit Owner may have, at law or in equity, the Hotel Unit Owner may offset the amount owed to it against Assessments levied against the Hotel Unit(s).
- (b) Declarant hereby reserves for the Hotel Unit Owner the right to (a) impose rules and regulations for the use of the Limited Common Elements appurtenant to the Hotel Unit(s) and (b) impose reasonable fees for an Owner's use of such Limited Common Elements and (c) deny use of such Limited Common Elements in the event that an Owner fails to comply with the rules and regulations or fee requirements of the Hotel Unit Owner.
- (c) Notwithstanding anything to the contrary contained in this Declaration, the Hotel Unit Owner shall have the right to hang, place or install signage on and within the Hotel Unit(s) as well as on any Common Element (other than Limited Common Elements appurtenant to a Unit or to a Class of Units, without the consent of such Unit Owner or applicable Class), including any portion of the Project's building facade, with the commercially reasonable consent of the Association, but without the consent of any Owner, on the conditions that (i) the Hotel Unit Owner repairs any damage to any Common Element caused thereby at its expense, and (ii) such alteration complies with all applicable requirements of the Association Documents and applicable law.
- (d) Notwithstanding anything to the contrary contained in this Declaration, and in addition to the rights of the Hotel Operator under Section 12.4(b) above, the Hotel Operator shall have the right to install, repair, replace and modify pipes, conduits and other facilities in, across, through and under the Common Elements without the consent of any Owner or the Association, on the conditions that (i) the Hotel Operator repairs any damage to any Common Element caused thereby at its expense, and (ii) such alteration complies with all applicable requirements of the Association Documents and applicable law.
- (e) By accepting a deed to a Unit, all Owners hereby grant their consent to the operation of the Hotel (which includes the periodic use of certain Common Elements for Hotel purposes), and hereby grant a license and possessory interest to the Hotel Unit Owner for such purposes.
- (f) Neither the Association nor any Owner may take any action or adopt any rule that will interfere with or diminish any right of the Hotel Unit Owner under this Article 20 without the prior written consent of the Hotel Unit Owner. Any action taken in violation of this Section 20.1 shall be void.

### Section 20.2. Hotel Disclosure.

- (a) The Hotel Unit(s) within the Project may be used and operated for purposes specifically required by the terms and conditions of a hotel operating agreement or similar agreement wherein the Hotel Unit Owner will own, occupy and/or operate all or a portion of the Hotel Unit(s) to conduct Hotel operations within the Project. The Hotel Unit Owner has the right to terminate its hotel operating agreement, and as a result there are no assurances that the Hotel will be operated under a brand name or under any other brand hotel "flag," or that any Hotel operation will exist at the Condominium. The Hotel Standards may change from time to time, and such changes may impact the financial obligations of the Association.
- (b) The Project Common Elements and Limited Common Elements will be operated, maintained and repaired in accordance with the Hotel Standards and the budget of the Association will include costs and expenses necessary to maintain the Project Common Elements and Limited Common Elements in accordance with the Hotel Standards. If the Association fails to maintain the Project Common Elements and Limited Common Elements in accordance with the Hotel Standards pursuant to the terms of Section 20.1 set forth herein, the Hotel Operator has the right, pursuant to Section 20.1 to perform such maintenance obligations and to charge the Association for the expenses incurred in connection therewith.
- (c) No Owner shall have any right, title or interest in the brand name of the Hotel and shall not use the name of the brand hotel company or any other brand name of the Hotel Unit Owner in any manner except as may be specifically set forth by separate agreement between the Hotel Unit Owner and Owner.
- (d) Notwithstanding any contrary provision of this Declaration or the other Condominium Documents, no Unit may be identified or affiliated in any way with any hotel "flag" (that is, the brand name of any hotel management or franchise company, such as Marriott, Hyatt, or Hilton) other than the brand name (if any) by which the Hotel Unit(s) are identified; provided that the foregoing restriction shall not be construed to include the identification or affiliation of a Unit with a local, regional or national rental management company, vacation estate rental affiliation or exchange company that is not a hotel "flag."

## ARTICLE 21 MORTGAGEE PROTECTIONS

- **Section 21.1. Introduction.** This ARTICLE 21 establishes certain standards and covenants which are for the benefit of Eligible First Mortgagees. This ARTICLE 21 is supplemental to, and not in substitution for, any other provisions of this Declaration, but in the case of any conflict, this Article shall control. To the extent permitted under Colorado law and as applicable, necessary or proper, the provisions of this Article apply to this Declaration and also to the Articles, Bylaws and Rules and Regulations of the Association.
- Section 21.2. Percentage of First Mortgagees. Unless specifically provided otherwise, wherever in this Declaration the approval or consent of a specified percentage of Eligible First

Mortgagees is required, it shall mean the approval or consent of the stated percentage of the voting power of Eligible First Mortgagees. Each Eligible First Mortgagee shall be entitled to the same voting power as allocated to the encumbered Unit.

- **Section 21.3. Notice of Actions.** The Association shall give prompt written notice of the following to each Eligible First Mortgagee:
  - (a) any condemnation loss or any casualty loss which affects a material portion of the Common Elements or any Unit in which an interest is held by the Eligible First Mortgagee;
  - (b) if requested by such Eligible First Mortgagee, any delinquency in the payment of Assessments which remains uncured for sixty (60) days by an Owner whose Unit is encumbered by a Security Interest held by such Eligible First Mortgagee;
  - (c) any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association;
  - (d) any proposed action which would require the consent of Eligible First Mortgagees as set forth in this Article;
  - (e) any judgment rendered against the Association having a material effect on the ability of the Association to perform its obligations herewith;
  - (f) if requested by such Eligible First Mortgagee, a copy of any financial statement of the Association;
    - (g) any proposed or approved special assessments under Section 9.9;
    - (h) copies of all budgets;
    - (i) copies of any amendments to the Declaration; and
    - (j) any actions taken under Section 23.2(c) or Section 23.2(d).
- **Section 21.4. Consent Required.** The Association may not take any of the following actions, except as such rights have been specifically reserved by Declarant under the provisions of this Declaration, without the consent of sixty-seven percent (67%) of the Eligible First Mortgagees:
  - (a) sale, conveyance or encumbrance of the Common Elements (provided, however, that the granting of easements for public utilities, for construction and maintenance of roads within the Project, or for other purposes provided for in this Declaration will not be deemed a transfer within the meaning of this clause);
  - (b) restoration or repair of the Project (after hazard damage or partial condemnation) in a manner other than that specified in this Declaration;

- (c) termination of this Declaration for reasons other than substantial destruction or condemnation, subject to the approval percentages required for such termination;
  - (d) merger of the Project with any other common interest community;
- (e) any decision not to repair or to replace the Common Elements when repair or replacement is otherwise required under this Declaration;
  - (f) any amendment of Articles 21 or 24;
- (g) any withdrawal from the Declaration of any Property encumbered by an Eligible First Mortgagee;
- (h) any consolidation or subdivision of Residential Units or Vacation Units or conversion of the same to common elements;
  - (i) any increase or decrease in the maximum number of Units; and
- (j) any changes contemplated by Section 23.2(b) and (c) to the extent that a Unit or Vacation Estate covered by an Eligible First Mortgagee is affected by such changes.
- **Section 21.5. Notice of Objection.** Unless an Eligible First Mortgagee provides the Secretary of the Association with written notice of its objection, if any, to any proposed action requiring the approval of Eligible First Mortgagees within sixty (60) days following the receipt of notice of such proposed action, the Eligible First Mortgagee will be deemed conclusively to have consented to or approved the proposed amendment or action.

### Section 21.6. First Mortgagees' Rights.

- (a) <u>Advances</u>. First Mortgagees, jointly or singly, may pay taxes or other charges which are in default and which may or have become a charge against any of the Common Elements or improvements thereon, and may pay overdue premiums on hazard insurance policies for the Common Elements. First Mortgagees making such payments shall be owed immediate reimbursement from the Association.
- (b) <u>Cure Rights</u>. First Mortgagees shall be entitled to cure any delinquency of the Owner of a Unit or Vacation Estate encumbered by a First Mortgage in the payment of Assessments. In that event, the First Mortgagee shall be entitled to obtain a release from the lien imposed or perfected by reason of such delinquency.
- **Section 21.7. Limitations on First Mortgagee's Rights.** No requirement for approval or consent by a First Mortgagee provided in this ARTICLE 20 shall operate to:
  - (a) deny or delegate control over the general administrative affairs of the Association by the Owners or the Board of Directors;
  - (b) prevent the Association or Board of Directors from commencing, intervening and/or settling any legal proceeding; or

- (c) prevent any insurance trustee or the Association from receiving and distributing any insurance proceeds in accordance with the requirements of ARTICLE 18 entitled "Restoration Upon Damage or Destruction".
- **Section 21.8. Reserved Declarant Rights.** No provision or requirement of this ARTICLE 20 entitled "Mortgagee Protections" shall apply to or contravene any Reserved Declarant Rights reserved to Declarant in this Declaration, except as expressly provided for herein.
- Section 21.9. Lien Protection for Mortgagees. Except as set forth in the Act or as required by other Applicable Law, no violation or breach of or failure to comply with any provision of the Declaration and no action to enforce any such provision shall affect, defeat, render invalid or impair the lien of any Security Interest taken in good faith or for value and perfected by recording in the Records, nor shall such violation, breach, failure to comply or action to enforce affect, defeat, render invalid or impair the title or interest of the holder of any such Security Interest or the title or interest acquired by any purchaser upon foreclosure of any such Security Interest or other lien.

## ARTICLE 22 ALTERNATIVE DISPUTE RESOLUTION OF CERTAIN CLAIMS

IMPORTANT NOTICE: Agreement to Encourage Resolution of Disputes; Exclusive Procedures; Waiver of Jury Trial; Statutes of Limitation. Declarant, the Association, and their respective officers and directors, all Owners, and any Person not otherwise subject to the Declaration but who agree to submit to the procedures set forth in this Article (these "Claims Procedures"), including all construction professionals, architects, contractors, subcontractors, developers, builders, builder vendors, engineers, inspectors and others who performed or furnished any engineering, design, planning, supervision, inspection, construction or observation of the construction of any improvement in the Project (each of the foregoing being referred to as a "Party"), hereby agree to encourage the amicable resolution of disputes involving the Project and all of its improvements without the emotional and financial costs of litigation. Accordingly, each Party covenants and agrees to submit all Claims, as defined below, each alleges to have to the Claims Procedures set forth herein and not to a court of law. All Parties herby agree to the mandatory mediation and arbitration of all Claims as set forth in this Article and irrevocably waive any right to trial of any Claim by jury or otherwise in a court of law.

Each Party agrees that these Claims Procedures shall be the sole and exclusive remedy that each Party shall have for any Claim. Should any Party commence litigation or any other action against any Party in violation of the terms of this Article, such Party shall reimburse all costs and expenses, including attorneys' fees, incurred by the other Party in such litigation or action within ten (10) days after written demand.

The Parties understand and agree that no Claim may be initiated after the date when institution of legal or equitable proceedings based on such Claim would be barred by the applicable statute of limitation or statute of repose.

Section 22.1. Statement of Clarification; Association and Owner Responsibilities. Without modifying or restricting the scope of these Claims Procedures and as a statement of

clarification only, the intent of these Claims Procedures is to foster constructive dialogue between the Parties, to permit corrective measures to be implemented without the necessity of final settlement documentation, to inform Parties of implications related to certain Claims that may not otherwise be readily apparent to such Parties, and to assist the Parties in resolving Claims, if possible, before incurring significant legal and consultant expenses, particularly through the informal Claims Procedures set forth in Section 22.3 below. The Association and its Board and each Owner understand and acknowledge the importance of a regular inspection and maintenance program for the Project and the Units therein and shall comply with all maintenance manuals and other documents and recommendations provided to the Association and/or Owners with respect to the inspection, operation and routine maintenance of all systems, equipment, and similar items (including, but not limited to, mechanical, electrical, plumbing, structural and exterior systems and improvements) made part of or serving the Project or its Units. The Association and each Owner shall perform such recommended inspection and maintenance and shall make all necessary repairs and maintenance called for to reasonably address the results of these inspections and to maintain the Project and its Units to a level consistent with its original quality. Further, the Board and each Owner shall cooperate, at no cost or expense to them, with all inspections that may be undertaken by or at the request of the Declarant on or with respect to the Project or its Units and any improvement thereon or therein. The Association and each Owner understand, assume the risk and agree that, if the Association or such Owner fails to follow the inspection, maintenance and repair requirements and standards contained in such manuals or materials delivered to them and such failure causes, whether in whole or in part, damage to the Project or its Units, to any improvement within the Project or to other property, the resulting damage shall not be deemed to be the result of a design or construction defect.

### Section 22.2. Certain Definitions.

Definition of Claim. As used in this Article, the term "Claim" shall mean (a) all claims, disputes and other controversies between one Party and another Party, regardless of how the same may have arisen or on what it might be based, excepting only those matters identified as exclusions in this Section below. Without limiting the generality of the foregoing, "Claim" shall include all claims, disputes or controversies relating to or arising out of, in whole or in part, any of the following: (a) any Agreement for Sale and Purchase between Declarant and any Owner, including in relation to the Property, the Project, or the Unit; (b) the purchase of the Unit; (c) the interpretation of the terms, conditions, and restrictive covenants of the Condominium Documents; (d) the soils of any property that lie within the Project or the presence of radon and/or mold within any Unit or other areas within the Project; (e) land development, design, construction and/or alteration of any of the improvements within the Project and/or any alleged defect therein; (f) any rights, obligations or duties of any Party under any of the Condominium Documents or any warranty, whether express, implied or limited, owed by a Party; (g) any limited warranty agreement between Declarant and any Owner and/or the Association; or (h) any breach of any of the foregoing referenced documents.

Notwithstanding the foregoing, the following will not be considered "Claims" unless all Parties to the matter otherwise agree to submit the matter to the Claims Procedures set forth in this Article: (i) any suit by the Association to collect Assessments or other amounts due from any Owner, (ii) any suit or other action by the Association or Declarant to act under

or enforce any provisions of this Declaration relating to maintenance obligations, mechanics lien obligations, additions or alteration of improvements by Owners, easements, Special Declarant Rights, and/or any restrictive covenants or obligations imposed on Owner through this Declaration, including any suit to obtain a temporary restraining order or injunction (or equivalent emergency equitable relief) or such other ancillary relief as the court may deem necessary, (iii) any action by the Association in which the Owner is given "notice and an opportunity to be heard," and (iv) any suit between Owners, which does not include Declarant or the Association as a party.

<u>Definition of Defect Claim</u>. Any Claim involving the development, design, (b) construction and/or alteration of the Project or any improvement within the Project and/or any alleged defect therein, however arising, is referred to herein as a "Defect Claim" and the alleged defect, the "Alleged Defect." The Association, its officers, directors and members, and Owners generally acknowledge, understand and agree that not every necessary repair or replacement of an improvement within the Project is due to a construction defect and, similarly, Declarant and other construction and design professionals that are Parties hereunder generally acknowledge, understand and agree that not every necessary repair or replacement of an improvement is due to faulty required maintenance of or damage to such improvement. Often, such repair and replacement issues arise from a combination of issues that may or may not include the original design and construction, the level of inspection and maintenance programs (or lack thereof) and the existence of other factors such as unusual weather events or conditions, improper use and/or unforeseen wear and tear. This Article supports a proper evaluation of all factors and encourages a collaborative and comparative approach to responsibility.

#### Section 22.3. Informal Procedures.

- (a) <u>Association Meetings</u>. For a period of eight (8) years following the recording of this Declaration, notices of Association and director meetings (including notice of agenda items relating to potential Defect Claims) shall be given to Declarant, and Declarant and/or its representative(s) shall be entitled to attend and participate in at least one (1) meeting of the Association's members to discuss any potential Claim against Declarant. The Declarant and the Board agree to use their respective good faith efforts to engage in constructive dialogue toward the goal or resolving any design or construction concerns.
- (b) <u>Initial Notice</u>. Any Party asserting a Claim ("Claimant") against another Party ("Respondent") shall give written notice to each Respondent and to the Board stating Claimant's good faith description of: (i) the nature of the Claim, including the persons involved and the Respondent's role in the Claim, and (ii) the Claimants' desire to meet with the Respondent to discuss in good faith, ways to resolve the Claim. In that legal and professional fees are discouraged at this stage of these Claims Procedures, no statement as to the legal basis of the Claim or of any proposed remedy is necessary.
- (c) <u>Right to be Heard; Negotiation</u>. Any Respondent shall have the right to be heard by the Claimant and, if any Claimant is the Association, by the Members, and the Claimant shall make itself reasonably available upon the request of Respondent to meet in

person and to confer for the purpose of resolving the Claim by good faith negotiation. The Parties shall confer and negotiate in good faith toward such resolution for a minimum period of forty-five (45) days after the date that the Claimant has provided notice to each Respondent pursuant to Section 22.3(b) above. Notwithstanding such minimum negotiations period, the Parties are encouraged throughout these Claims Procedures to attempt to resolve any differences between them through ongoing communications and informal dialogue. Any settlement of the Claim through discussion and negotiation shall be documented in writing and signed by the Parties in the manner described in Section 22.5(d) below.

- (d) <u>Right to Inspect, Cure and Correct</u>. Any Respondent shall have the right (without obligation), before the institution by the Claimant of binding arbitration below, to inspect, cure and correct any improvement or condition within the Project with respect to a Defect Claim, as follows:
  - (i) In addition to other rights and obligations set forth in this Article, a Respondent may elect to inspect the Alleged Defect, in which event the Respondent shall complete the initial inspection and testing within thirty (30) days after the date that the Claimant has provided notice to each Respondent pursuant to Section 22.3(b) above, and at a mutually agreeable date and time. The Respondent shall bear all costs of inspection and testing, including any damage caused by the inspection and testing. Before entering onto the Project for the inspection, the Respondent shall supply the Claimant with proof of liability insurance coverage. The Respondent shall, upon request, allow the inspection to be observed and recorded or photographed. Nothing that occurs during a Respondent's inspection may be used or introduced as evidence to support a defense of spoliation of evidence by the Claimant or any potential party in subsequent litigation.
  - Within sixty (60) days of completion of the initial inspection or testing, the Respondent may elect to repair some or all of the Alleged Defects by sending a written notice of election to repair to the Claimant. Notwithstanding any tolling provided by law, the applicable statutes of limitation and repose on any and all Claims relating to the Alleged Defects shall be tolled (A) from the completion of the initial inspection and/or testing until Respondent's written notice of election to repair, or the expiration of sixty (60) days, whichever is sooner; and (B) from the date of any written notice of election to repair by Respondent until sixty (60) days after substantial completion of the repairs. This tolling applies to any and all Claims relating to Alleged Defects for which Claimant has given written notice pursuant to subsection 22.3(b) (regardless of whether Respondent has elected to repair none, some or all of the Alleged Defects). If the Respondent elects to repair some or all of the Alleged Defects, then (i) Respondent has the right to do so and the Claimant may not, directly or indirectly, impair, impede or prohibit the Respondent from making repairs; and (ii) until after the substantial completion of the repairs (a) the Claimant shall not file or pursue final binding arbitration (but may pursue mediation), and (b) if the Claimant is the Association, the Claimant shall not undertake the procedures for a consensus vote for Association action set forth in subsection 22.4(d). With any notice of election to repair, Respondent shall provide

to Claimant a list of the Alleged Defects that Respondent has elected to repair, a detailed explanation of the repair work to be performed and the reasonably expected completion date for the repairs. The notice shall also include the name of any contractors the Respondent intends to employ for the repairs. Claimant shall promptly cooperate with the Respondent to schedule the repairs and provide reasonable access to the Project (including Common Elements and Units) for the repairs.

- (iii) For the purpose of exercising the rights to inspect, cure, correct and repair set forth above in subparagraphs 22.3(d)(i) and 22.3(d)(ii), Declarant reserves for itself, its designees, the Association and its designees, a perpetual nonexclusive easement of access throughout the Project (including Common Elements and Units) to the extent reasonably necessary to exercise such rights.
- (iv) Within ten (10) days after receipt of the Respondent's notice to repair, a Claimant may deliver to the Respondent a written objection to the proposed repair if the Claimant believes in good faith that the proposed repairs will not remedy the Alleged Defect. The Respondent may elect to modify the proposal in accordance with the Claimant's objection, or may proceed with the scope of work set forth in the original proposal.
- (v) If the Respondent fails to send a notice to repair or otherwise strictly comply with this Section 22.3(d) within the specified time frames, or if the Respondent does not complete the repairs within the time set forth in the notice to repair, the Claimant shall be released from the requirements of this Section 22.3(d) and may proceed with the formal procedures set forth in Section 22.4 below. Notwithstanding the foregoing, if the Respondent notifies the Claimant in writing before the stated completion date that the repair work will not be completed by the completion date, the Respondent shall be entitled to one reasonable extension of the completion date.
- (vi) The Respondent shall notify the Claimant when repairs have been completed. The Claimant shall have ten (10) days following the completion date to have the work inspected to verify that the repairs are complete and satisfactorily resolved the Alleged Defect. A Claimant who believes in good faith that the repairs made do not resolve the Alleged Defect may proceed with the formal procedures set forth in Section 22.4 below.
- (vii) With respect to areas of repair work undertaken by the Respondent pursuant to these Claims Procedures, the Respondent will conduct daily clean-up and render the work site each night in a safe and orderly condition and, at the completion of the repair work, shall restore the affected areas to substantially the same condition in which they existed prior to the repair, subject to any additional improvements or alterations involved with the repair. The specific materials and workmanship related to the repair work performed by the Respondent shall be warrantied against material defects for a period of one (1) year, which warranty shall be in addition to any express warranties on the original work and shall be

subject to the same terms and conditions of the original express warranty, but which repair work shall not be construed to be an "improvement" to real property for purposes of C.R.S. § 13-80-104.

- (viii) Any Alleged Defect discovered after repairs have been completed shall be subject to the same requirements of this Article if the Respondent did not have notice or an opportunity to repair the new Alleged Defect.
- (e) No Requirement for Final Settlement to Begin Repairs; Settlement Proposal. The informal Claims Procedures set forth in this Section 22.3(e) are for the purpose of encouraging early resolution of Claims and no formal written settlement or other agreement shall be required for inspection and corrective work to occur pursuant to Section 22.3(d) above. No Party shall be deemed to have waived any rights or Claims by reason of such corrective work, and the Claimant shall be entitled to monitor the effectiveness of the corrective measures instituted. Alternatively, if the Respondent desires a formal settlement agreement before commencing corrective measures or other action to resolve the subject matter of the Claim, the following Claims Procedures may be employed:
  - (i) Within thirty (30) days following completion of the inspection process, the Respondent may give Claimant written notification of its settlement proposal, including, in the case of a proposal to remedy a Defect Claim, a report of the scope, findings and results of the inspection, the damage caused by the Alleged Defect and a description of and a timetable for the work necessary to remedy the Alleged Defect.
  - (ii) Within fifteen (15) days after its receipt of Respondent's settlement proposal, Claimant shall notify Respondent of its acceptance or rejection thereof. Failure to give such notice shall be deemed to be a rejection of the proposal.
  - (iii) If the settlement proposal for remedial work is accepted, Claimant and Respondent shall endeavor to document the settlement proposal in writing within thirty (30) days after acceptance, which settlement shall be signed by the Parties in the manner described in Section 22.5(d) below.
- (f) <u>Effect of Corrective Work</u>. It is acknowledged and agreed by all Parties and by any guarantors, insurers and/or indemnitors of the Parties that any work conducted pursuant to Section 22.3(d) above (i) is in the nature of corrective or repair work and does not constitute nor shall be asserted or construed to be an "improvement" to real property for purposes of C.R.S. § 13-80-104, and (ii) unless part of a written settlement agreement signed by the Claimant and each Respondent, does not constitute nor shall be asserted or construed to be a voluntary payment or assumption of a voluntary obligation without insurer consent under any applicable commercial general liability insurance policy.
- (g) <u>Broad Construction</u>. The Claims Procedures set forth in this Section 22.3(g) are designed to encourage the good faith resolution of a Claim or appropriate correction of improvements and the right of the Respondent to be heard and to inspect and correct shall be ongoing and construed liberally throughout all of the Claims Procedures set forth in this

Article so as to permit the same, for example but not limitation, as there arise new issues, legal theories, engineering opinions, developments with insurers, and other developments and information, even if after the formal dispute resolution procedures commence as described below. Accordingly, the informal and formal dispute resolution procedures are anticipated to run concurrently from time to time and the Parties agree to reasonably, timely and in good faith cooperate with each other to respond to requests, to permit the rights set forth in these Claims Procedures and to facilitate the processes of these Claims Procedures toward the goal of a successful and voluntary resolution of Claims.

### Section 22.4. Formal Notice and Association Consensus.

Formal Notice. At any time following the forty-five (45) day negotiation period described in Section 22.3(c) above (or following such longer period as the Parties may agree), the Claimant may provide written formal notice to each Respondent stating (i) the nature of the Claim, including if applicable a list of any alleged construction defects and a description, in reasonable detail, of the type and location of such defects, the damages claimed to have been caused thereby, and Respondent's role in the Claim, (ii) the legal or contractual basis of the Claim (i.e., the specific authority out of which the Claim arises), (iii) the date on which the Claim first arose, and (iv) the specific relief and/or proposed remedy sought. Notwithstanding the foregoing or any contrary provision herein, the Claimant shall, in addition to complying with these Claims Procedures, follow the alternative dispute resolution procedures set out in the Construction Defect Action Reform Act, Colo. Rev. Stat. § 13-20-801 et seq., as it may be amended from time to time ("CDARA") and the procedures set forth in Colo. Rev. Stat. § 38-33.3-303.5 et seq. ("CCIOA Construction Defect Procedures") with respect to any Defect Claim, and the initial formal notice required under CDARA and required pursuant to Colo. Rev. Stat. § 38-33.3-303.5(1)(e) may be combined with the formal notice of Claim required by this Section 22.4.1.

Formal written notice as provided in this Section and the satisfaction of the Association Consensus Vote (defined below), if applicable, is required as an express condition to commence the resolution Claims Procedures set forth in Sections 18.6, 18.7 and the Sections following, below.

(b) Association Defect Claims. Notwithstanding any contrary provision herein, no formal notice of Claim under Section 22.4(a) (including, without limitation, a Notice of Claim under CDARA) may be further pursued by a Claimant (a) if the Claim is a Defect Claim which relates, in whole or in part, to the Common Elements (including Limited Common Elements) of the Project or to any portion of the Units that is the responsibility of the Association to maintain, repair, and replace or to any Defect Claim that the Association intends to assert on its own behalf or on behalf of Owners (referred to herein as an "Association Defect Claim"), and (b) unless and until the Claims Procedures set forth in this Section 22.4 below are satisfied. The Parties understand and agree that the Claims Procedures of this Section 22.4(b) are essential to the protection of individual Owners who may not understand the implications and effects of the assertion of an Association Defect Claim by the Association, including, without limitation, the possible impact of such Claim on sales of Units within the Project and/or the ability of Owners to borrow funds when an Owner's Unit is being pledged as collateral for the loan.

- (c) <u>Power of Attorney to Association</u>. The Association is hereby designated to act as the exclusive representative of all Owners who are members of the Association in asserting any Association Defect Claim, and each Owner does hereby appoint the Association to exclusively act as its power of attorney (which power shall be irrevocable) with respect to any Association Defect Claims, including the right to compromise and settle the same. No Owner shall assert an Association Defect Claim except through the Association.
- (d) <u>Meeting and Consensus Vote for Association Action</u>. Notwithstanding anything contained in these Claims Procedures to the contrary and in addition to any requirements prescribed by law, before asserting a Claim the Association shall do the following:
  - The Board, following the approval of an Association Defect Claim (i) by a majority of all of its directors, shall mail or deliver written notice to each Owner at the Owner's last-known address described in the Association's records and to each Respondent containing all of the information and disclosures required by Colo. Rev. Stat. § 38-33.3-303.5(1)(c) and, to the extent not required by such Statute, the following: (a) the manner in which the Association proposes to fund the cost of the Association Defect Claim, including any proposed special assessments or use of reserves, (b) the anticipated duration of the Association Defect Claim, the likelihood of its success, and the risks to which the Association is exposed (e.g., an assessment of counter-claims and/or other potential liability to the Association), (c) a reasonable assessment and explanation of the anticipated impact of the Association Defect Claim on the marketability of Units for sale within the Project and the impact on the ability of Owners to refinance and buyers of Units to secure financing, explained for both during the pendency of the Association Defect Claim and after its resolution, together with a prominent statement advising Owners if it is concluded that any such impact does exist, (d) a prominent statement advising Owners that the existence of the Association Defect Claim may represent a material matter requiring legal disclosure to lenders, purchasers, auditors and/or other appropriate parties, and (e) providing proper notice for a meeting of Owners to be held not sooner than ten (10) days or longer than fifteen (15) days after such mailing, at which Owners shall discuss (but not yet vote) on whether to approve the Association Defect Claim as described in Section 22.4(d)(ii) below. A failure to hold the meeting within this time period voids the subsequent vote. A quorum is not required at the meeting. Respondents will be invited to attend and will have an opportunity to address the Owners concerning the Association Defect Claim as required by Colo. Rev. Stat. § 38-33.3-303.5(1)(c).
  - (ii) The Association Defect Claim must be approved and authorized by the affirmative written vote during the voting period, which voting period commences upon the conclusion of the Owner meeting and extends to the date falling ninety (90) days after the date of the notice described in Section 22.4(d)(i) above (or, if earlier, the date when the Association determines that the Association Defect Claim is either approved or disapproved) (the "Voting Period"), by delivery of a written ballot or other written form of approval approved by the Board directing

the specific vote of the Owner (but not by proxy granting discretion to the proxy holder as to how to vote), of Owners holding at least a majority of the Total Voting Power in the Association (the "Association Consensus Vote").

- (iii) The Association Consensus Vote must be obtained before the expiration of the Voting Period; otherwise the Owners shall be deemed to have declined to provide their approval of Association Defect Claim.
- (iv) Notwithstanding any contrary provision or lack of provision herein, the Association shall fully and timely comply with all requirements of Colo. Rev. Stat. § 38-33.3-303.5, et seq., as supplemented by this Section 22.4(d). Further, notwithstanding this Section 22.4(d)(iv), the notice to Owners, meeting and vote set forth in this Section 22.4(d)(iv) is not required for an Association to proceed when the Association is the contracting party for the performance of labor or purchase of services or materials.
- (e) <u>Limit on Director and Officer Liability</u>. No director or officer of the Association shall be liable to any person or entity for failure to institute or maintain or bring to conclusion a cause of action, mediation or arbitration for an Association Defect Claim if the following criteria are satisfied: (i) the director or officer was acting within the scope of their duties; (ii) the director or officer was not acting in bad faith; and (iii) the act or omission was not willful, wanton or grossly negligent.
- (f) <u>Tolling</u>. All statutes of limitation and repose applicable to an Association Defect Claim shall be deemed tolled as provided in Colo. Rev. Stat. § 38-33.3-303.5 et seq.

#### Section 22.5. Mediation.

- (a) Following the formal written notice discussed in Section 22.4(a) above and, if applicable, the approval of the Association Consensus Vote within the Voting Period, the Claimant shall have thirty (30) days to submit the Claim to mediation with an entity designated by the Association (if the Association is not a party to the Claim) or to an independent agency providing dispute resolution services in Eagle County, Colorado unless otherwise agreed by the Parties. A mediator shall be selected no later than forty-five (45) days after the Claimant has given notice to the Respondent of its submittal to mediation and, if the Association is a Party and the Parties are unable to agree on a mediator, one shall be chosen by the Judicial Arbiter Group ("JAG"). Each Party shall bear its own costs of the mediation, including attorneys' fees, and each Party shall share equally all charges rendered by the mediator.
- (b) If the Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation when scheduled, the Claimant shall be deemed to have waived the Claim, and the Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to any person other than the Claimant.
- (c) If the parties do not settle the Claim within thirty (30) days after submission of the matter to mediation, or within such time as determined reasonable by the mediator,

the mediator shall issue a notice of termination of the mediation proceedings indicating that the parties are at an impasse and the date that mediation was terminated. The Claimant shall thereafter be entitled to submit the Claim to binding arbitration as provided below.

- (d) Any settlement of the Claim through mediation or through negotiation shall be documented in writing and signed by the Parties. If any Party thereafter fails to abide by the terms of such agreement, then any other Party may file suit or initiate administrative proceedings to enforce such agreement without the need to again comply with the Claims Procedures set forth in this Article. In such event, the Party taking action to enforce the agreement or award shall, upon prevailing, be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties in equal proportions) all costs incurred in enforcing such agreement or award, including, without limitation, attorney's fees and court costs.
- Section 22.6. Final and Binding Arbitration. Upon termination of mediation as provided in Section 22.5(c) above, if Claimant desires to pursue the Claim, Claimant shall have forty-five (45) days to deliver an arbitration notice to Respondent(s) and to initiate final, binding arbitration of the Claim under the auspices of the JAG in Denver, Colorado. If any Claim is not timely submitted to arbitration, or if Claimant fails to appear for the arbitration proceeding, then the Claim shall be deemed waived and abandoned, and Respondent(s) shall be released and discharged from any and all liability to Claimant arising out of any such Claim. The following arbitration procedures shall be applicable to each Claim that is arbitrated:
  - (a) The arbitrator must be a person qualified, with applicable industry experience and/or legal experience, to consider and resolve the applicable Claim.
  - (b) No person shall serve as the arbitrator where that person has any financial or personal interest in the result of the arbitration. Any person designated as an arbitrator shall immediately disclose in writing to all Parties any circumstance likely to affect the appearance of impartiality, including any bias or financial or personal interest in the outcome of the arbitration ("Arbitrator Disclosure"). If any Party objects to the service of any arbitrator with fourteen (14) days after receipt of the Arbitrator's Disclosure, such arbitrator shall be replaced in the same manner in which that arbitrator was selected.
  - (c) The arbitration shall be presided over by a single arbitrator. Notwithstanding any other provision of this Section 22.6(c), if the Parties are unable to agree upon an arbitrator to resolve a Claim, they shall request from the JAG a list of qualified arbitrators. Promptly following their receipt of the list, the Parties shall meet in person or by telephone and shall follow the JAG procedures of ranking and striking names so as to determine the person who shall serve as the arbitrator. The cost of the list shall be split equally by the Parties.
  - (d) The arbitrator shall hold at least one hearing in which the Parties, their attorneys and expert consultants may participate. The arbitrator shall fix the date, time and place for the hearing. The arbitration proceedings shall be conducted in the County in which the Project is located unless otherwise agreed by the Parties.

- (e) Discovery shall be limited to document disclosures as provided by the JAG, and no other discovery shall be conducted in the absence of an order of the arbitrator or express written agreement among all the Parties. The manner, timing and extent of any discovery shall be committed to the arbitrator's sound discretion, provided that under no circumstances shall the arbitrator allow more depositions or interrogatories than permitted by the presumptive limitations set forth in Federal Rules Of Civil Procedure 30(a)(2)(A) and 33(a). The arbitrator shall levy appropriate sanctions, including an award of reasonable attorneys' fees, against any Party that fails to cooperate in good faith in discovery agreed to by the Parties or ordered by the arbitrator pursuant to this Section.
- (f) The arbitrator may, in their reasonable discretion, permit the Parties to submit pre-hearing briefs, post-hearings briefs and/or proposed findings of fact and conclusions of law. The arbitrator shall also have authority to establish reasonable terms regarding inspections, destructive testing and retention of independent consultants, if applicable.
- (g) The Parties agree that where any Claim, dispute or other controversy existing between them is submitted to arbitration, and any other Party may have liability with respect thereto, all Parties agree that the third parties may be joined as additional Parties in the arbitration, or if a separate arbitration exists or is separately initiated, to the consolidation of all such arbitrations. By way of example only and not by limitation, in the event of an Alleged Defect, Declarant would have the right to join in the arbitration any design professional, contractor, subcontractor or other third party whose acts or omissions allegedly caused or contributed to the damages alleged by the Claimant.
- (h) The arbitration award shall address each specific Claim to be resolved in the arbitration, provide a summary of the reasons therefore and the relief granted, and be rendered promptly after the close of the hearing and no later than thirty (30) days from the close of the hearing, unless otherwise agreed by the Parties. The arbitration award shall be in writing and shall be signed by the arbitrator.
- (i) Any issue about whether a Claim is covered by this Article shall be determined by the arbitrator. Notwithstanding anything to the contrary, if a Party contests the validity or scope of arbitration in a court of law, the arbitrator or the court shall award reasonable attorneys' fees and expenses incurred in defending such contests, including those incurred in trial or on appeal, to the non-contesting Party.
- (j) The arbitrator shall apply the substantive law of Colorado and may award injunctive relief or any other remedy available in Colorado.
- (k) The award rendered by the arbitrator shall be final and binding, may be filed with any court of competent jurisdiction in the County in which the Project is located in accordance with applicable law and judgment obtained thereon, and execution may issue. If any Party objects to entry of judgment upon any arbitration award entered pursuant to this Section 22.6(k), the Party that substantially prevails in any ensuing dispute concerning the entry of judgment upon such award shall be entitled to all reasonable attorneys' fees and costs incurred in the enforcement of the award.

- (l) The fees and costs of the arbitration, including without limitation the arbitrator and its consultants, shall be borne equally by the Parties.
- (m) Except as may be required by law or for confirmation of an arbitration award, neither a Party nor an arbitrator may disclose the existence or contents of any arbitration or arbitration award without the prior written consent of all Parties to the Claim.

Section 22.7. Amendments to this Article; Standing to Enforce. Notwithstanding anything to the contrary contained in this Declaration or any of the Association Documents, the terms and provisions of this ARTICLE 22 inure to the benefit of Declarant, are enforceable by Declarant, and SHALL NOT EVER BE AMENDED OR NULLIFIED WITHOUT THE WRITTEN CONSENT OF DECLARANT and without regard to whether Declarant owns any portion of the Project at the time of such amendment. BY TAKING TITLE TO A UNIT, EACH OWNER ACKNOWLEDGES AND AGREES THAT THE TERMS OF THIS ARTICLE 22 ARE A SIGNIFICANT INDUCEMENT TO THE DECLARANT'S WILLINGNESS TO DEVELOP AND SELL THE UNITS AND THAT IN THE ABSENCE OF THE PROVISIONS CONTAINED IN THIS ARTICLE, DECLARANT WOULD HAVE BEEN UNABLE AND UNWILLING TO DEVELOP AND SELL THE UNITS FOR THE PRICES PAID BY THE ORIGINAL PURCHASERS. Any amendment made without the requisite written consent of Declarant shall be null and void and shall have no effect. Further, all employees and agents of Declarant and all contractors, subcontractors, architects, engineers and other development professionals associated with the design or construction of any portion of the Project (each a "Third Party Beneficiary") are third-party beneficiaries of this Article and of the terms and conditions contained herein, including without limitation the requirement for binding arbitration, and any Third Party Beneficiary has standing to enforce the terms and conditions of this Article, including without limitation to compel binding arbitration.

Section 22.8. Reformation. The Parties agree that reliance upon courts of law and equity can add significant costs and delays to the process of resolving Claims. Accordingly, they recognize that an essential part of the Declaration is this Article and its agreement between and among the Parties to provide for the submission of all Claims to informal negotiation and correction efforts, mediation and final and binding arbitration. Therefore, if any court or arbitrator concludes that any provision of these Claims Procedures is void, voidable or otherwise unenforceable, the Parties understand and agree that the court or arbitrator shall reform each such provision to render it enforceable, but only to the extent absolutely necessary to render the provision enforceable and only in view of the Parties' express desire that the merits of all Claims be resolved only by arbitration and, to the greatest extent permitted by law, in accordance with the principles, limitations and procedures set forth in these Claims Procedures.

Section 22.9. Notices; Computation of Time. All notices given or required by these Claims Procedures shall be in writing and shall be deemed given and received (a) when hand delivered to the intended recipient by whatever means; (b) three business days after the same is deposited in the United States mail, with adequate postage prepaid and sent by certified mail, return receipt requested, or (c) one business day after the same is deposited with an overnight courier service of national reputation, with the delivery charges prepaid. In the event any date called for herein falls on a Saturday, Sunday or legal holiday for which U.S. mail service is not provided, such date shall be extended to the next business day following such Saturday, Sunday or holiday.

## ARTICLE 23 DURATION OF COVENANTS; AMENDMENT AND TERMINATION

**Section 23.1. Term.** The covenants, conditions, restrictions, reservations, easements, assessments, charges and liens set forth in this Declaration shall run with and bind the Property until this Declaration is terminated pursuant to the terms hereof.

**Section 23.2. Amendment of Declaration.** This Declaration may be amended as follows:

- (a) General Amendments. Except as otherwise expressly permitted or restricted by this Section 23.2 and as provided for in ARTICLE 20, this Declaration may be amended by a vote or agreement of a Majority of Owners. To the extent the proposed amendment involves an issue subject to Class Voting, a majority of a quorum of the Owners in the affected Class will also be required, such that the Majority of Owners must include a majority of a quorum of the Owners in such Class. Notwithstanding the foregoing provision, the percentage of the Total Voting Power necessary to amend a specific clause or provision of this Declaration shall not be less than the percentage of affirmative voting power prescribed for action to be taken under that clause or provision. The Association and the Owners may not, while any Reserved Declarant Right exists, amend this Declaration in any matter that restricts or reduces Declarant's rights or increases or expands Declarant's obligations or liabilities hereunder without Declarant's written consent.
- (b) <u>Permitted Use Amendments</u>. Except to the extent otherwise expressly permitted or required in this Declaration, this Declaration may be amended to change the uses to which any Unit is restricted only by a vote or agreement of Owners holding at least sixty-seven percent (67%) of the Total Voting Power, including a majority of the voting power allocated to any Class directly affected by such amendment (e.g., amendments changing uses for Vacation Units).
- (c) <u>Allocated Interest Amendments</u>. Except to the extent otherwise expressly permitted or required in this Declaration or under the Act, this Declaration may be amended to increase Reserved Declarant Rights, increase the number of Units or change the boundaries of any Unit or the Allocated Interests of a Unit or Vacation Estate only by a vote or agreement of Owners holding at least sixty-seven percent (67%) of the Total Voting Power, including sixty-seven percent (67%) of the voting power allocated to Units and Vacation Estates not owned by Declarant.
- (d) Reserved Amendment Rights. To the extent that this Declaration and the Act expressly permit or require amendments that may be executed by Declarant or by the Association, this Declaration may be amended by amendments executed solely by Declarant or solely by the Association. To the extent not prohibited by the Act, Declarant may execute any amendment required or necessary to comply with Applicable Law and any amendment required or appropriate to comply with the secondary mortgage market or Colorado state regulatory requirements. In the event of an amendment by Declarant in connection with the exercise of the Reserved Declarant Rights pursuant to the terms of this

Declaration, recording of such amendments to this Declaration and any associated supplement to the Map in the Records shall automatically:

- (i) vest in each existing Owner the reallocated Allocated Interests appurtenant to such Owner's Unit; and
- (ii) vest in each existing holder of a Security Interest a perfected Security Interest in the reallocated Allocated Interests appurtenant to the encumbered Unit.

Upon the recording of such an amendment to this Declaration, the definitions used in this Declaration shall automatically be extended to encompass and to refer to the Property, as expanded. All conveyances of Units after such expansion shall be effective to transfer rights in all Common Elements as expanded, whether or not reference is made to any amendment to this Declaration or supplement to the Map. Reference to this Declaration and Map in any instrument shall be deemed to include all amendments to this Declaration and supplements to the Map without specific reference thereto.

Section 23.3. Amendment of Other Condominium Documents. The Articles of Incorporation and Bylaws may be amended in accordance with the terms of such documents and the Nonprofit Act. The Rules and Regulations may be amended as determined by the Board of Directors. While any Reserved Declarant Right exists, the Condominium Documents may not be amended in any matter that restricts or reduces Declarant's rights or increases Declarant's obligations or liabilities thereunder without Declarant's written consent.

Section 23.4. Execution of Amendments; Expenses. Any amendment shall be prepared, executed and recorded either by Declarant or by an officer of the Association designated for that purpose or, in the absence of a designation, by the President of the Association. All expenses associated with preparing and recording an amendment to this Declaration shall be the sole responsibility of: (a) any Owners desiring an amendment as provided for in this Declaration or the Act; (b) Declarant, to the extent the right to amend this Declaration is reserved to Declarant and exercised by Declarant; or (c) in all other cases by the Association as a Common Expense.

**Section 23.5. When Modifications Permitted.** Notwithstanding the provisions of Section 23.2 above, no amendment or termination of this Declaration shall be effective in any event during the Period of Declarant Control, unless the written approval of Declarant is first obtained.

**Section 23.6.** Recording of Amendments. Any amendment to this Declaration made in accordance with this ARTICLE 23 shall be immediately effective upon the recording of the executed amendment in the Records together with a duly authenticated certificate of Declarant or the Secretary of the Association, as applicable, stating that the required vote of Owners, if any, and required consents of First Mortgagees, if any, were obtained and are on file in the office of the Association or were not required to be obtained pursuant to this Declaration or the Act. The amendment must be indexed in the grantee's index in the name of the Project and the Association and in the grantor's index in the name of each person or entity executing the Amendment.

- Section 23.7. Rights of Declarant. Notwithstanding anything to the contrary contained herein, and to the extent permitted by the Act, no amendment or modification to, or impairment of any of the rights contained in, any of ARTICLE 13, ARTICLE 14, ARTICLE 15, Section 23.5, this Section 23.7 or ARTICLE 23 shall be effective or enforceable without the prior consent of Declarant during the Period of Declarant Control.
- **Section 23.8. Rights of Vail Summit Resorts.** Any amendment to a provision in this Declaration, or in other Condominium Document, which grants VSR consent or approval rights shall include a written acknowledgement that VSR has reviewed and approved the same.
- **Section 23.9. Rights of Eligible First Mortgagees.** To the extent allowed by the Act, Eligible First Mortgagees shall have the rights to approve specified action of the Owners or the Association as a condition to the effectiveness of those actions as provided in ARTICLE 20 entitled "Mortgagee Protections".
- **Section 23.10. Termination of the Project.** The Project may only be terminated as provided in the Act.

### ARTICLE 24 PLAN OF VACATION OWNERSHIP

- **Section 24.1. Rights of Plan Developer.** In addition to all other rights and remedies available under this Declaration or the Act, the Plan Developer shall have the following additional rights:
  - (a) The right to locate, relocate and maintain sales offices, management offices, operational facilities or offices, signs advertising the Plan, the Vacation Units and the Vacation Estates, and models within the Common Elements and any Unit or Units owned by Plan Developer, and the right to remove the same.   - (b) If the Association fails to maintain any Common Element in accordance with the Hotel Standards approved by the Plan Developer, and fails to correct the deficiency within thirty (30) days after the Plan Developer has given the Association written notice of such failure, the Plan Developer may correct the deficiency by performing any maintenance, repair or replacement as the Plan Developer deems necessary to bring the Common Elements into compliance with such Hotel Standards. The Association shall reimburse the Plan Developer for all costs incurred by the Plan Developer to correct the deficiency within thirty (30) days after the delivery of an invoice therefor to the Association. If the Association fails to reimburse the Plan Developer mithin such thirty (30) day period, then in addition to any other remedies the Plan Developer may have, at law or in equity, the Plan Developer may offset the amount owed to it against Assessments levied against the Vacation Unit(s).
  - (c) Notwithstanding anything to the contrary contained in this Declaration, the Plan Developer shall have the right to hang, place or install signage on and within the

Vacation Unit Limited Common Elements as well as on any Common Element, including any portion of the Project's building facade, with the commercially reasonable consent of the Association, but without the consent of any Owner, on the conditions that (i) the Plan Developer repairs any damage to any Common Element caused thereby at its expense, and (ii) such alteration complies with all applicable requirements of the Association Documents and applicable law.

- (d) Notwithstanding anything to the contrary contained in this Declaration, and in addition to the rights of the Plan Developer under this Article 24, the Plan Developer shall have the right to install, repair, replace and modify pipes, conduits and other facilities in, across, through and under the Common Elements without the consent of any Owner or the Association, on the conditions that (i) the Plan Developer repairs any damage to any Common Element caused thereby at its expense, and (ii) such alteration complies with all applicable requirements of the Association Documents and applicable law.
- (e) The Plan Developer shall have the right (i) to enter into affiliation agreements with one or more internal or external exchange programs, or as a component site of a multi-site timeshare/timespan plan, (ii) to subject the Vacation Units to the terms and conditions of such affiliation agreements and such component site plan documents, and (iii) to supplement the Reservation Procedures and amend this Plan of Vacation Ownership as necessary to facilitate and accommodate reciprocal reservation and use by participants in the Plan, participants in the exchange programs and such multi-site timeshare/timespan plans, and use of affiliated properties.
- (f) By accepting a deed to a Unit, all Owners hereby grant their consent to the operation of the Plan (which includes the periodic use of certain Common Elements for Plan purposes), and hereby grant a license and possessory interest to the Vacation Managing Agent for such purposes.
- (g) Neither the Association nor any Owner may take any action or adopt any rule that will interfere with or diminish any right of the Plan Developer under this Article 24 without the prior written consent of the Plan Developer. Any action taken in violation of this Section 24.1 shall be void.

Section 24.2. Submission of Units to the Plan of Vacation Ownership. Plan Developer reserves the right to submit all or some of the Residential Units, expressly excluding the Hotel Unit(s), in the Project to the Plan of Vacation Ownership as set forth in this Article. The provisions of this Article relate only to those Residential Units submitted to the Plan and shall govern the ownership of Vacation Estates in said Vacation Units and the rights, duties and obligations of Vacation Owners. So long as Plan Developer: (a) owns any Residential Unit or Vacation Estate; (b) holds a Security Interest in any Residential Unit or Vacation Estate; or (c) for thirty (30) years after the date of recording this Declaration, the right to submit a Residential Unit to the Plan shall extend only to Plan Developer and shall specifically not be available to purchasers of Residential Units in the Project, their successors, or assigns except with the prior written consent of Plan Developer. The right of Plan Developer to subject a Unit to the Plan shall also extend to the holder of any First Mortgage of a Unit who obtains title to the Unit through foreclosure or a deed in lieu of foreclosure or an assignee who acquires the Unit from the Plan Developer's First Mortgagee

and holds the Unit for resale. Thereafter, any Residential Unit Owner may submit a Residential Unit to the Plan, with the prior written consent of the Association, subject to the Owner's compliance with all Applicable Laws. Submission of a Residential Unit to the Plan shall be subject to the prior written consent of any First Mortgagee of the Residential Unit. The provisions of the Declaration shall apply to all Vacation Units and Vacation Estates created hereunder; provided, however, in the event of an inconsistency between this Article and the remaining provisions of the Declaration with respect to the ownership of a Vacation Unit or Vacation Estate and the rights, duties, and obligations of Vacation Owners, then the provisions of this Article shall control. Certain references to Units (where not expressly modified by Residential or Commercial) are hereby expressly deemed to include references to Vacation Estates; in particular, all references relating to Deeds, transfers or conveyances of Units (i.e., in Sections 2.25, 3.4, 7.1, 7.4, 15.5, and 23.2); all references to membership in the Association being tied to ownership of a Unit (i.e., Section 7.1); all references to Assessments being made against Units and the rights, remedies and procedures relating to the collection of Assessments (i.e., ARTICLE 9 and Sections 12.5 and 12.10); all references to easements of enjoyment appurtenant to Units (i.e., Section 14.2); and the mortgagee protections set forth in ARTICLE 21.

Vacation Week No. 1 is the seven days commencing at 4:00 p.m. on the first Saturday or Sunday of each calendar year. All other Vacation Weeks are calculated by working forward and backward from Vacation Week No. 1. Vacation Weeks run from 4:00 p.m. of the first day of the Vacation Week to 10:00 a.m. on the last day of the Vacation Week; provided, however, the Association shall have the right to promulgate rules and regulations establishing arrival and check out times which

may result in possession and occupancy of a Vacation Unit commencing later than the commencement of the Vacation Week and terminating prior to the termination of the Vacation Week. All Vacation Weeks in a Vacation Unit shall be computed on the same basis and shall commence and end at the same time, on the same day of the week, according to this paragraph, unless the last Vacation Week established by the Vacation Calendar for Saturday check-in begins on December 31<sup>st</sup> in any year, in which case the additional seven days (which would otherwise constitute Vacation Week 53) shall be assigned to Vacation Week 51 (three additional days) and Vacation Week 52 (four additional days). In such years, extended Vacation Weeks 51 and 52 will be defined as Holiday Weeks. Holiday Week 52 commences the day after Holiday Week 51 ends, notwithstanding the day of the Week.

Section 24.4. Submission of Unit to the Plan of Vacation Ownership. Plan Developer may submit a Residential Unit to the Plan either by recording a properly acknowledged notice executed by Plan Developer describing the Residential Unit to be submitted to the Plan and reciting Plan Developer's intention to do so or by Plan Developer's execution, delivery and recordation of a Deed conveying a Vacation Estate to a Vacation Owner and establishing the Vacation Weeks for the Vacation Unit. By acceptance of a Deed to a Vacation Estate, each Vacation Owner waives such Vacation Owner's right to bring a suit for partition. For purposes of Section 7.5 and Section 7.6 of the Declaration, a Residential Unit submitted to the Plan shall be deemed conveyed to an Owner other than a Plan Developer after conveyance of one hundred percent (100%) of the Vacation Estates in the Vacation Unit. As of the date of recording of this Declaration, the Residential Units submitted to the Plan are those set forth on Exhibit E.

Section 24.5. Conveyance by Purchaser. Each Vacation Estate shall constitute an estate in real property separate and distinct from all other Vacation Estates in the Vacation Unit, which estate may be separately conveyed and encumbered. A purchaser may acquire more than one Vacation Estate and thereafter convey or encumber each Vacation Estate so acquired separately (subject to the Resale Restriction described below and the transfer requirements set forth in the Bylaws and/or Rules and Regulations). In no event, however, shall a Vacation Owner convey or encumber less than a Vacation Estate as defined herein, or attempt to subdivide a Vacation Estate into lesser interests. In the event all Vacation Estates in a Vacation Unit are acquired by one Vacation Owner, such Vacation Unit may, at such Vacation Owner's election, to the extent permitted by Applicable Law and not otherwise prohibited by a restrictive covenant and with the prior written consent of the Association and with the consent of any Eligible First Mortgagee of the affected Vacation Estates by notice duly recorded, be withdrawn from the Plan.

**Section 24.7. Administration and Management.** The administration and management of the Plan shall be performed by the Association, through the Vacation Managing Agent. The Association and Vacation Managing Agent shall have all powers necessary or desirable to effectuate any of the purposes provided for herein. A Vacation Owner, upon becoming the owner of a Vacation Estate, shall be a member of the Association and of the Vacation Ownership Class and shall remain a member for the period of time the Vacation Estate is owned by such Vacation Owner. A Vacation Owner shall be entitled to a vote, the size of which vote shall be based upon the vote allocated to the Unit pursuant to ARTICLE 4, further allocated based upon each Vacation Owner's undivided interest as tenant-in-common in a Vacation Unit.

# Section 24.8. Powers and Duties of the Association with Respect to Vacation Estates. By way of enumeration and without limitation and in addition to the powers and duties of the Association provided for in the Bylaws, the Association and the Vacation Managing Agent shall also have the following specific powers and duties with respect to Vacation Estates:

- (a) coordinate the plans of Vacation Owners for moving their personal effects into and out of the Vacation Units with a view toward scheduling such moves, so that there will be a minimum of inconvenience to other Vacation Owners;

The Plan Developer shall determine the color scheme, decor, and furnishing of each Vacation Unit as well as the proper time for refurbishment, redecorating, and replacement thereof;
- (c) acquire and hold title to all Vacation Furnishings. The Association shall, on behalf of all Vacation Owners, hold title in its name to all Vacation Furnishings, and no Vacation Owner shall have any right, title, or claim thereto, and the Association, through the Vacation Managing Agent, shall have the right to deal with Vacation Furnishings for all purposes;
- (d) maintain reasonably available property insurance for covered causes of loss to the Vacation Units and Vacation Furnishings in an amount of insurance not less than the full insurable replacement cost of the insured property less applicable deductibles at the time the insurance is purchased and at each renewal date and containing the required provisions set forth in Section 17.2;

- (e) bill each Vacation Owner for the expense of occupancy of a Vacation Unit during which occupancy the Association or Vacation Managing Agent determines the individual expenses of the particular Vacation Owner which are not included as part of the Vacation Assessment, including, but not limited to long-distance and other extraordinary telephone charges, extraordinary repairs or charges for damage to the Vacation Unit, the Vacation Furnishings, equipment, fixtures, appliances, and carpeting caused by a Vacation Owner or such Vacation Owner's Occupant, firewood, other charges rendered by the Vacation Managing Agent on behalf of the particular Vacation Owner and maid service in addition to the standard maid service provided for each Vacation Week and included within the Vacation Assessment provided for in this Article;
  - (f) collect the Vacation Assessment provided for in this Article;
- (g) establish, subject to modification at any time, publish, and administer the Reservation Procedures as provided for in this Article and such other rules and regulations as the Association or Vacation Ownership Class Committee deems necessary or desirable, specifically including but not limited to Fines and restrictions on use and occupancy if a Vacation Owner is not current on Assessments or is otherwise in violation of the provisions of this Article;
  - (h) prepare the Vacation Calendar;
- (i) enter into license agreements, exchange company affiliation agreements, or other like agreements with respect to the operation, management, maintenance and/or benefits related to the Plan;
- (j) enforce the remedies for non-payment of the Vacation Assessments set forth in this Article; and
- (k) establish, subject to modification at any time, publish a list of and administer any services to be offered by the Association to the Vacation Owners (the "Services"), the cost of which shall be included in the Vacation Assessment for Owners of Vacation Estates.
- **Section 24.9. Vacation Assessment.** In addition to the Assessment for Common Expenses established by the Association to meet the Common Expenses of the Project, the Association or Vacation Ownership Class Committee shall also establish a separate Vacation Assessment that will be assessed against Vacation Units to cover the additional costs of operating the Vacation Estates as part of the Plan. The Vacation Assessment for each Vacation Unit may include but is not limited to, the following:
  - (a) the allocated share of the Common Expense Liability attributable to each Vacation Estate in a Vacation Unit;
  - (b) maintenance, and regularly scheduled cleaning and maid service and upkeep of the Vacation Unit;
    - (c) repair and replacement of the Vacation Furnishings;

- (d) any additional premium for property or liability insurance occasioned by the operation of the Plan;
- (e) real and personal property taxes assessed against the Vacation Units or Vacation Estates;
- (f) management fees assessed by the Vacation Managing Agent to cover the costs of operating the Plan that are in addition to the management fees set by the Vacation Managing Agent for management of the Project;

- (i) membership or similar dues payable by the Association on behalf of all or some of the Vacation Owners for membership in any clubs or facilities; and
- (j) any other expenses incurred in the normal operation of the Project attributable to operation of the Vacation Units as part of the Plan and not otherwise within the definition of Common Expenses provided for in the Declaration.

The Vacation Assessment shall be assessed and prorated among the Vacation Units on the basis of the size and type of the Vacation Unit as compared to the total number of all Vacation Units, further allocated among the Vacation Owners of each Vacation Unit on the basis of each Vacation Owner's undivided interest in the Vacation Unit, as further set forth on Exhibit E. The Vacation Assessment shall be paid by the Vacation Owner pursuant to a schedule established by the Association. These Assessments shall be the personal and individual debt of the Vacation Owner and all sums assessed but unpaid shall constitute a lien on the Vacation Estate, which lien is subject to Section 9.12 hereof. The Association and Vacation Managing Agent shall have all of the rights in connection with the collection thereof as the Association has in connection with the collection of unpaid Assessments for Common Expenses.

Section 24.10. Acceptance; Enforcement; Indemnification. By acceptance of a Deed to a Vacation Estate, a Vacation Owner agrees to be bound by the terms and conditions of the Declaration, specifically including, but not limited to, the provisions of this Article. In addition to all remedies provided to the Association elsewhere in the Declaration, the Plan Developer shall also have the following special remedies with respect to any Vacation Owner who fails to pay the Vacation Assessment or is otherwise in default of any provision of this Article:

(a) In the event any Vacation Owner fails to vacate a Vacation Unit after termination of a reserved Vacation Week or otherwise uses or occupies or prevents another Vacation Owner from using or occupying a Vacation Week, that Vacation Owner shall be in default hereunder and shall be subject to immediate removal, eviction or ejection from the Vacation Unit wrongfully occupied; shall be deemed to have waived any notices required by law with respect to any legal proceedings regarding the removal, eviction or ejection; and shall pay to the Vacation Owner entitled to use the Vacation Unit during such

wrongful occupancy, as liquidated damages for the wrongful use of the Vacation Unit, a sum equal to two hundred percent (200%) of the estimated expense of providing the arriving Vacation Owner with equivalent lodging and amenities, as determined by the Association or Vacation Managing Agent in its sole discretion for each day, or portion thereof, including the day of surrender, during which the Vacation Owner wrongfully occupies a Unit, plus all Costs of Enforcement, which amounts may be collected by the Plan Developer in the manner provided herein for the collection of Default Assessments.

- (b) Any Vacation Owner who suffers or allows a mechanics' lien or other lien to be placed against such Vacation Owner's Vacation Estate or the entire Vacation Unit shall indemnify, defend and hold each of the other Vacation Owners harmless from and against all liability or loss arising from the claim or such lien. The Association or Vacation Managing Agent may enforce such indemnity by collecting from the Vacation Owner who suffers or allows such a lien the amount necessary to discharge the lien and all Costs of Enforcement incidental thereto. If such amount is not promptly paid, the Association or Vacation Managing Agent may collect the same in the manner provided herein for the collection of Default Assessments.
- (c) Withhold use or possession of the Vacation Owner's Vacation Estate during the assigned Vacation Week, prohibit the Vacation Owner from making any reservation pursuant to the Reservation Procedures, and upon notice, cancel any reservation previously made by the Vacation Owner and rent or reallocate any Vacation Week to which a Vacation Owner is entitled.
- (d) Suspend all of such Person's rights and privileges as a member of the Association, including but not limited to, the right to participate in any vote or other determination provided for in the Governing Documents.
- (e) Except as to a transfer to a First Mortgagee by foreclosure or deed in lieu of foreclosure, no transfer of a Vacation Estate shall be permitted unless and until the proposed transferor is current as to all Assessments due to the Association and is otherwise not in default under any other provision of the Declaration. Any purported transfer of a Vacation Estate while a Vacation Owner is delinquent or is in default on any other obligation shall be null and void.

All of the remedies granted by the Condominium Documents, specifically including the specific remedies provided for in this Article are cumulative, and the exercise of one right or remedy by the Association or Vacation Managing Agent shall not impair the Association's or Vacation Managing Agent's right to exercise any other remedy. The Association or Vacation Managing Agent shall not be limited to the remedies set forth herein and may invoke any other or additional remedies provided for or allowed by the Act, in law or in equity. The Association or Vacation Managing Agent may pursue any of the remedies provided for in whatever order is determined by the Association or Vacation Managing Agent. The failure by the Association to insist in any one or more instances upon the strict compliance with any provision of the Condominium Documents, to exercise any right or option contained therein, to serve any notice or to institute any action or proceeding, shall not be construed as a waiver or relinquishment of any such provision, option or right.

**Section 24.11. Factors Pertaining to Floating Vacation Estates.** All Floating Vacation Estates are subject to the following cross use easement rights, comparability and reservation procedures:

- (a) <u>Cross Use Easement Rights</u>. In order to maximize the availability of space to fulfill Vacation Owners' desired use, subject to the provisions of Paragraph (b) below relating to reservations, Vacation Estates designated as Floating Vacation Estates shall be available for reservation, occupancy and use (the "**Use Right Easement**") by Owners of Comparable Floating Vacation Estates in the Project during the Designated Season. "**Designated Season**" shall mean Summer, Summer Prime, Summer Value, Winter, Winter Prime, Winter Value, or Spring/Fall Seasons and the Vacation Weeks that are a part thereof as set forth in the Seasonal Calendar in <u>Exhibit F</u>. "**Comparable Floating Vacation Estates**" shall be deemed to be all Floating Vacation Estates in the same type of Vacation Unit (e.g. a Suite, One-bedroom Unit, Two-bedroom Unit, etc.). Each Deed conveying a Floating Vacation Estate shall be deemed to include a reservation of this Use Right Easement benefiting all Vacation Owners.
- Reservation Procedures. All Owners of Floating Vacation Estates shall be entitled to make reservations with the Vacation Managing Agent for the Vacation Week(s), or portions thereof, in the Designated Season the Vacation Owner desires to use pursuant to the Reservation Procedures. Reservations shall be (i) made with the Vacation Managing Agent pursuant to the Reservation Procedures, and (ii) confirmed in a Vacation Unit that is comparable to the Vacation Unit identified in such Vacation Owner's Deed. The Reservation Procedures shall specify the manner in which reservations are to be requested and confirmed. Owners of Floating Vacation Estates shall be entitled to reserve one Vacation Week each calendar year in the Designated Season for each comparable Vacation Week appurtenant to the Floating Vacation Estate owned. The right to reserve a Vacation Week, if unused in any year, is lost and does not accrue. The Reservation Procedures shall contain such schedules, conditions, restrictions and limitations as are deemed necessary or desirable by the Association or the Vacation Ownership Class Committee. The Association or the Vacation Ownership Class Committee may from time to time, without the consent of the Vacation Owners or Eligible First Mortgagees, amend the Reservation Procedures to include, by way of enumeration and without limitation, one or more of the following features:
  - (i) A preferential reservation system for Vacation Weeks which include holidays, such as New Year's Day, Martin Luther King Jr. Day, Presidents Weekend, Memorial Day, Independence Day, Labor Day, Veterans' Day, Thanksgiving, Christmas or other holiday period which allocates the opportunity to reserve the more popular holidays among the Owners of Floating Vacation Estates;
  - (ii) A procedure for determining priority of reservation by lot, drawing, rotation, or otherwise on an annual or rotating basis;
  - (iii) Restrictions on use and occupancy of a Vacation Week if a Vacation Owner is not current on Assessments or is otherwise in violation of the provisions of the Governing Documents;

- (iv) Penalties, including forfeitures of reservation rights for the calendar year, for untimely cancellations or reservations;
- (v) A schedule of fees to be separately charged to Vacation Owners who use a portion of a Vacation Week to cover the additional expenses of such use, including but not limited to, additional administrative, janitorial and maid service costs; or
- (vi) Such other conditions, restrictions and limitations as the Association or the Vacation Ownership Class Committee shall deem necessary under the circumstances to assure a manageable and fair system.
- (c) Rental. The Reservation Procedures may prohibit or limit the right of Vacation Owners to rent or to allow use by an unaccompanied guest of any Vacation Week otherwise properly reserved by a Vacation Owner, including, without limitation, required approval by the Association or the Vacation Managing Agent of a rental manager or agent engaged by a Vacation Owner. Notwithstanding anything to the contrary in the Condominium Documents, Plan Developer shall have a right to rent Vacation Weeks associated with Vacation Estates owned by Plan Developer and notwithstanding anything herein to the contrary, nothing herein shall prohibit the holder of a First Mortgage who has acquired a Vacation Week by foreclosure or by deed in lieu of foreclosure or an assignee who acquires a Vacation Week from the Plan Developer's First Mortgagee who is holding the Vacation Week for resale from renting the Vacation Week.
- (d) <u>Alternative Use Arrangements</u>. In addition to promulgating and amending the Reservation Procedures, the Plan Developer and Association shall also have the power to delegate to the Vacation Managing Agent or third party service providers, the right to utilize any Vacation Weeks, or parts thereof, not otherwise reserved by Owners as of certain dates in order to maximize utilization of Vacation Weeks, to establish and facilitate internal or external exchange programs, or to provide the right for day use of Project amenities by Vacation Owners. Nothing in this Section 24.10(d) shall impair the rights of any First Mortgagees.

Section 24.12. Biennial Vacation Estate. A Biennial Vacation Estate is either a Vacation Estate or a Floating Vacation Estate followed by the designation "E" or "O" which is owned by two Vacation Owners, each with a 50% undivided interest as tenant-in-common in the Vacation Estate or Floating Vacation Estate and which is subject to an easement granting the exclusive use and occupancy of the Vacation Estate to each Owner in alternating years. Biennial Vacation Estates followed by the letter "E" shall be available for exclusive use and occupancy by the Owner thereof during even numbered years and Biennial Vacation Estates followed by the letter "O" shall be available for exclusive use and occupancy by the Owner thereof during the odd numbered years.

**Section 24.13. Combination and Reconveyance.** So long as Plan Developer may exercise any reserved right pursuant to this Declaration and with the consent of any Eligible First Mortgagee, there is hereby reserved to the Plan Developer, and thereafter to the Association, the right to change the Vacation Weeks assigned to Vacation Estates upon the request of any two or more Owners. Each reassignment shall be accomplished by conveyance of the Vacation Estates

involved to the Plan Developer or the Association followed by reconveyance of such Vacation Estates to the Owners with the Vacation Weeks reassigned as requested. All costs and expenses, including attorneys' fees, of such reassignment shall be paid by the Owners requesting it.

Section 24.14. Right of Repurchase. The Vacation Estates, and any and all rights and interests now or hereafter appurtenant to each of them, shall be subject to a right of first refusal to repurchase ("Repurchase Option") by Plan Developer if, during the term of Plan Developer's Additional Reserved Rights, an Owner wants to or is required to sell, assign, or otherwise transfer its Vacation Estate (not including a Deed in lieu of foreclosure, transfer by public trustee or sheriff's Deed, or any transfer of such Owner's entire interest in its Vacation Estate in connection with the merger, consolidation, liquidation or reorganization in Owner) (a "Transfer"). A Transfer shall not include the sale, assignment or other transfer of a First Mortgagee of its right or interest in a Vacation Estate who acquired the Vacation Estate by foreclosure or by deed in lieu of foreclosure or an assignee who has acquired the foreclosed Vacation Estate from Plan Developer's First Mortgagee and who is holding the same for resale. Plan Developer shall have the right to exercise the Repurchase Option by giving written notice at any time within sixty (60) calendar days after the date upon which Owner shall have given written notice to Plan Developer of a potential Transfer, together with a copy of the proposed contract of sale or other document affecting the Transfer, which includes all material terms to the Transfer. If any such notice shall not be so given by Plan Developer to Owner on or before the expiration of the respective 60 day period and if Owner completes the Transfer to a third party, Plan Developer's right to exercise the Repurchase Option with regard to the Vacation Estate shall thereupon cease and terminate. If Owner does not complete the Transfer within ninety (90) days of giving written notice to Plan Developer, the Repurchase Option with regard to the Vacation Estate shall not terminate and Owner shall be required to provide a successive written notice(s) of a proposed Transfer.

- (a) The "Repurchase Option Price" shall mean the bona fide purchase price offered to an Owner with respect to a Vacation Estate.
- (b) Within 60 days after Plan Developer gives notice of the exercise of the Repurchase Option, Owner shall tender to Plan Developer Owner's Special Warranty Deed for the Vacation Estate to be exchanged for "good funds," as defined under Colorado law, from Plan Developer in the amount of the Repurchase Option Price. Owner shall deliver title to the Vacation Estate to Plan Developer at the closing of the Repurchase Option in the same condition as when delivered by Plan Developer to Owner, except as to nondelinquent property taxes and assessments for the year of said closing, which taxes and assessments shall be prorated between Plan Developer and Owner to the date of such closing, so that Owner bears such taxes and assessments for the period of its ownership of the Vacation Estate. Owner agrees to pay all costs and expenses for such closing, including the premium for an extended owners title insurance policy in the amount of the Repurchase Option Price, insuring that title to the Vacation Estate is vested in Plan Developer.
- (c) In the event Plan Developer fails to exercise the Repurchase Option within the time and in the manner set forth above, Plan Developer shall not have any further right to exercise the Repurchase Option with regard to such Vacation Estate and Plan Developer agrees, upon Owner's written request, to record in the Records a duly executed and acknowledged release releasing Plan Developer's right to exercise the Repurchase Option

with regard to such Vacation Estate. Upon expiration of the term of Plan Developer's reserved rights as set forth in Section 24.2, or, at any earlier time in Plan Developer's sole and absolute discretion, Plan Developer shall duly execute and record in the Records an acknowledgment of termination of the Repurchase Option with regard to all Vacation Estates.

(d) This Repurchase Option shall be subordinate and junior to the legal operation and effect of the Security Interests of First Mortgagees.
